RE: **A By-law to correct errors in By-Law No. 41/2018**
Our File No. DASZ 6/2018

At its meeting of May 24, 2018 Council passed By-Law No. 41/2018.

It has been recently determined that the By-Law erroneously omits the PDO zoning designation and refers to a development agreement.

Accordingly, please find enclosed an amending by-law inserts the PDO zoning designation in section (1) and strikes out the development agreement in section (2). This corrective by-law amendment does not prejudice the rights of any person, so under section 276 of The City of Winnipeg Charter Council may pass the amendment without the usual public hearing and report requirements for a zoning by-law.

Please place the enclosed by-law before Council at its meeting scheduled for July 19, 2018. My assistant Danielle Rafael has e-mailed an electronic copy of this by-law to Jennifer Ridge.

Thank you.
