RE: DAOC 2/2005 – PROPOSED OPENING AND CLOSING OF PARTS OF LAGIMODIERE BOULEVARD AND DAWSON ROAD

For submission to:	**The Riel Community Committee**
Report date:	**March 15, 2005**
Recommendations:	**1. That the proposed opening and closing as shown on Misc. Plan No. 10510/5 be approved and that the land be declared surplus to the City's needs.** **2. That the City Solicitor/Manager of Legal Services be instructed to prepare the necessary by-law for submission to Council to effect the opening and closing in accordance with Misc. Plan No. 10510/5.** **3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.**

REPORT SUMMARY

Key Issues:

- Council approved the sale of the streets proposed to be closed on January 26, 2005. The purchaser intends to incorporate the streets into a residential development of the adjoining lands. One of the terms of sale is the dedication of parts of the purchaser's property as Lagimodière Boulevard.

Implications of the Recommendation(s):

General implications:

X	**None**
	For the organization overall and/or for other departments
	For the community and/or organizations external to the City of Winnipeg

Comment(s):

- All costs associated with this proposal will be borne by the Applicant. There are no financial implications for the City of Winnipeg.

REASON FOR THE REPORT:

All street and lane closings require the consideration of the Community Committee.

HISTORY:

On January 26, 2005, Council approved the sale of the portions of Lagimodière Boulevard and Dawson Road identified as "Proposed Closings" on the attached Misc. Plan No. 10510/5 to 4937938 Manitoba Ltd. The purchaser intends to incorporate the streets into a residential development of the adjoining lands.

The sale of the land involves the dedication of portions of the purchaser's property as public street. A strip of City property opposite Tascona Road will also be dedicated as street. These lands are identified as "Proposed Street Openings" and "4937938 Manitoba Ltd. Lands to be Transferred to the City" on Misc. Plan No. 10510/5
An offer from Fairweather Properties to purchase the streets for incorporation into a proposed development was approved by Council in February of 1999. In November of 1999, the purchaser advised that he was unable to secure a tenant for the property and would not be proceeding with the transaction. The proposed opening and closings shown on Misc. Plan No. 10510/5 are identical to those approved by the Riel Community Committee in February of 1999 under Application No. DAOC 1/1999 in conjunction with the original offer to purchase.

DISCUSSION:

Administrative Approval

The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the opening and closing.

Zoning

This opening and closing application is being made in conjunction with DAZ 215/2005, an application to rezone the property to RM-3.

Easements

Manitoba Hydro has a plant within the streets proposed to be closed. The Applicant will be required to either relocate this plant or enter into an easement agreement. No permanent structures of any kind will be allowed within the easement area. MTS will need to examine the planned lotting before they can comment on easement requirements.

Transfer of Jurisdiction Over Public Rights-of-Way

The streets must be legally closed before they may be sold. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and vests the ownership of the property in the City's name. The City is not entitled to dispose of the land until this has been done.

IN PREPARING THIS REPORT, THERE WAS CONSULTATION WITH AND CONCURRENCE BY:

Planning, Property and Development Department – Geomatics and Zoning & Permits Branches

Corporate Finance Department – Local Improvements

Public Works Department – Transportation Division

Water and Waste Department – Engineering Division

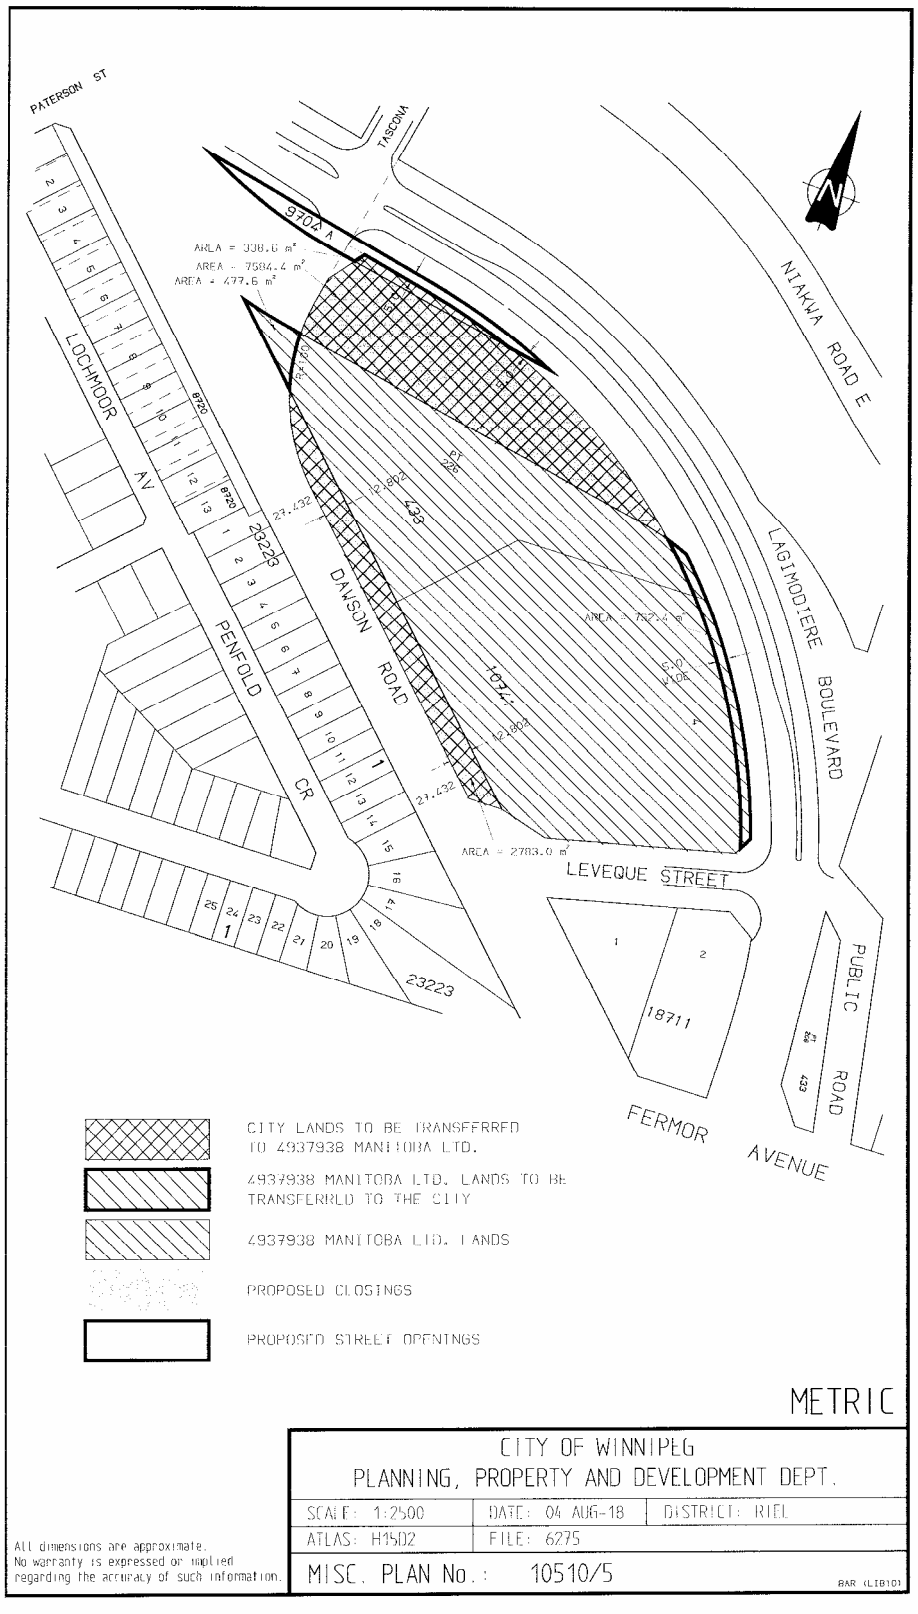

Centra Gas, Manitoba Hydro, MTS Allstream

The Community Planner and the Parks, Riverbanks and Community Initiatives Coordinator did not respond to the request for their comments on this proposal. Shaw Cable did not respond to the request for easement requirements.
