RE: Technical Amendment – By-law No. 77/2018

On July 19, 2018, Council passed By-law No. 77/2018 to open north side of Southpark Drive, west of Pembina Highway.

It has come to our attention that the by-law number had already been assigned and a new number is required to remedy the duplication.

Enclosed is an amending by-law to correct the aforementioned error. Legal Services considers this amendment to be technical in nature and accordingly, Legal Services proposes that this amendment be brought to Council's attention by communication.

An electronic copy of the By-law has been provided by my assistant to Jennifer Ridge and Ken McKenzie via email.

If you have any questions, feel free to contact me.

Thank you.
