EXECUTIVE SUMMARY

Council approval is requested for a 4-year sponsorship term with Sun Life Assurance Company of Canada ("Sun Life"), whereby Sun Life agrees to pay the City $140,000 plus GST, for the naming right of the new musical instrument lending library for the Winnipeg Public Library. The new program will be known as the "Sun Life Financial Musical Instrument Lending Library Program" ("the Program"). The collection will be located at the Millennium Library at 281 Donald Street.

This innovative, free program offers citizens with a valid Winnipeg Public Library card the opportunity to check-out an instrument such as a guitar, mandolin, violin, drum or portable keyboard and borrow it as they would other library materials. The Musical Instrument Lending Library supports community musical literacy and provides access to musical instruments for those who cannot afford them as well as individuals who want to learn to play an instrument without making a purchase.

This unique Program aligns with the Library Services Division's strategic goal to select materials that reflect the diverse needs of the community so that relevant print, digital and special collections are freely available.

In addition to the sponsorship funds, Sun Life will provide the Winnipeg Public Library with 150 instruments, cases or gig-bags, accessories and a display case designed to promote and display sample musical instruments from the collection. Sun Life will also provide co-branded (City and Sun Life) copies of online videos in both official languages and closed captioning that provide instrument care and handling information for the public.
