RE: City Organization By-law

Please find enclosed a by-law to amend the City Organization By-law.

This amending by-law implements recommendation “Q” of the Budget approved by Council on March 22, 2016, which provided as follows:

Q. That the Chief Administrative Officer be delegated the authority, for departmental units under his authority, to transfer funds and/or budgets between departmental units to reflect administrative structure changes made by the Chief Administrative officer and that the City Organizational By-law No. 7100/97 be amended accordingly.

Since the substance of the By-law has already been approved by Council, Legal Services suggests that it can be brought to Council’s agenda as a communication.

If you have any questions concerning this By-law, please feel free to contact me.
