RE: Street Name Change – Edderton Avenue to Willson Place

A street naming discrepancy has been brought to our attention by one of the land surveyors preparing the survey plans for the Bus Rapid Transit Phase 2 project. Currently, only the southerly 6 feet of the street is legally designated as Willson Place, while the northerly 60 feet is legally designated as Edderton Avenue. For administrative purposes, it is in order to change the designation of the subject street from its legal to common designation.

Pursuant to By-law No. 43/2003, the City Solicitor may submit directly to Council by-laws for street name changes of a minor nature and which will not impact residents or businesses on the street in accordance with the council Decision on Street Name Changes of a Minor Nature, adopted on July 17, 2002.

A site inspection indicates six addressed businesses on the street, all of which are using the common designation of “Willson Place”. Furthermore, all street signage as well as IVIEW, Canada Post and Google Maps reference the Street as “Willson Place”.

Enclosed is street name change by-law to correct the discrepancy. Legal Services proposes that this street name change be brought to Council’s attention by communication.

An electronic copy of the By-law has been provided by my assistant to Jennifer Ridge and Ken McKenzie via email.

If you have any questions, feel free to contact me.

Thank you.

Andrea Bellhouse
