Jason,

I am replacing the chain link fences along the cross walks between DeGraf Pl. and Kingsford, to the NK Community Club. They are falling apart, and not reparable. The current fence has broken sections of rail that extend into the crosswalk, and could seriously injure someone, should they walk, fall or cycle into an exposed rail end. Neighbours on adjacent properties have complained out the condition of the fence.

Please prepare a cost estimate for a 6" fence, to be installed this early this summer ASAP. The fence will be paid for from the NK share of the Land Dedication Reserve account.

I will motion for the LDR expenditure at the June EKTCC meeting.

Thanks very much for your cooperation.
