REASON FOR THE REPORT:

All street and lane closings require the consideration of the Community Committee.

HISTORY:

The portion of the public lane shown as "Proposed Closing" on Misc. Plan No. 12524 was created in 1903 by the subdivision of the adjoining lands. The lane is paved and is one of the three access routes used by the area residents and businesses, the other access routes being from Arlington Street and St. Paul Avenue.

The Planning, Property and Development Department received a request to purchase the public lane in April of 2005. The applicant, Mr. Stan Halbesma, owns Harry's Foods at 905 Portage, the properties at 893 and 899 Portage, and the property at 255 Burnell. Mr. Halbesma is exploring two options to expand the grocery store. The first option is to build an addition to the east of the store and use the property at 255 Burnell for parking. The second option is to demolish the buildings at 893, 899 and 905 Portage and at 255 Burnell, build a new store on the 255 Burnell site, and use the 893/899/905 Portage area for parking. The acquisition of the public lane is required under either option.

DISCUSSION:

Administrative Approval

The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the closing.

The Transportation Division of the Public Works Department will require the applicant to remove the existing public lane turnout at Burnell and restore the curb, sidewalk and boulevard to the satisfaction of the Director of Public Works. Should the applicant wish to retain the approach from Burnell it will be necessary for him to obtain private approach approval.

Easements

Manitoba Hydro/Centra Gas and MTS Allstream will require easements to maintain their services in the lane. No permanent structures will be allowed within this easement area, which will encompass the entire lane.

Transfer of Jurisdiction Over Public Rights-of-Way

The lane must be legally closed before it may be sold. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and vests the ownership of the property in the City's name. The City is not entitled to dispose of the land until this has been done.
