Subject: Support for item 5 - Reports to be in conjunction with the City of Winnipeg Climate Action Plan

Hello City of Winnipeg EPC,

I am sending this email in support of item 5 coming to EPC this Tuesday. I believe that every single report that comes to council needs to be seen through a climate change lens. Passing this will show councils commitment to keep with our current climage change plans, and will help us move towards carbon neutrality.

Cheers, and thank you very much for your time,
S. Snyder
