## MOTIONS

Moved by Councillor Timm-Rudolph,
Seconded by Councillor Lazarenko,
**908 -** THAT Council place on record its profound sorrow at the death of William Hurst, former City Engineer and Commissioner of Buildings for the City of Winnipeg, which occurred recently in Toronto, Ontario;

Mr. Hurst joined the staff of the City of Winnipeg in 1931, was appointed City Engineer and Commissioner of Buildings in 1941 and retired in 1972 as Commissioner of Works and Operations.

During his employment with the City of Winnipeg, Mr. Hurst predicted the great flood of 1950 and took measures to ameliorate the damages caused by the Red River spilling over its banks.

Mr. Hurst was appointed to the National Capital Commission in Ottawa in 1971 remaining there until 1976, and he received the Order of Canada, in 1972.

This Council extends to his wife Gytha, his children William and Marilyn and their families, its deepest sympathy and condolences in their bereavement.

Carried by Silent Standing Vote.

## MINUTES

Councillor Eadie moved that the minutes of the meetings held on September 5 and 20, 2000, be taken as read and confirmed, which motion was carried.

## COMMUNICATIONS

From the City Solicitor/Manager of Legal Services,

**909 -** Submitting as instructed by Council on July 19, 2000, draft by-law to amend By-law No. 1481/77, being The City of Winnipeg Streets By-law, which by-law may receive all three readings.
File ST-5.3 (Vol. 8) (By-law No. 7696/2000)

From the City Solicitor/Manager of Legal Services,

**910 -** Submitting as instructed by Council on September 20, 2000, draft by-law to amend By-law No. 6547/95, being a by-law of the said City concerning the reservation of certain portions of streets and public parking sites for the purpose of parking vehicles and the use of parking meters in connection therewith.
File ST-5 (Vol. 22) (By-law No. 7697/2000)

From the City Solicitor/Manager of Legal Services,

**911 -** Advising that subsequent to the passage of By-law No. 7691/2000, it was noticed that the incorrect zoning category had been placed on both the zoning map and the explanation sheet.

Also advising that the owner's pending sale of proposed Lot 1 under By-law No. 7691/2000 did not proceed and he has requested that the lands that were originally advertised, remain the same for the by-law.

Submitting draft by-law substituting the zoning map with the correct lotting. File DAZ 206/95 (By-law No. 7698/2000)

From the City Solicitor/Manager of Legal Services,

**912 -** Advising that By-law No. 7647/2000 contained an error in wording and that the two sub-clauses in clause 2(c) have now been properly numbered (i) and (ii), rather than (a) and (b); and submitting draft by-law to amend By-law No. 7647/2000. File DAZ 206/2000 (By-law No. 7699/2000)

From the City Solicitor/Manager of Legal Services,

**913 -** Advising that on April 30, 1997, Council approved in principle, an amendment to the Airport Vicinity Protection Area Zoning By-law No. 6418/84, deleting the section which permitted the conversion of single-family properties fronting Portage Avenue with Area I of the Airport Vicinity Protection Area, to limited multiple-family residential development.

Also advising that this was consistent with approvals in principle by Council on that same date of amendments to Plan Winnipeg and the Winnipeg Airport Vicinity Development Plan By-law No. 6378/94 (secondary plan), which deleted similar provisions in those two by-laws also. All three proposed amendments were the subject of a public hearing conducted by the Executive Policy Committee on June 18, 1997.

Further advising that the Plan Winnipeg amendment did not receive third reading until January 27, 1999 due to lengthy consideration by the then-Minister of Urban Affairs. Due to an oversight, the remaining amendments (to the secondary plan and to By-law No. 6418/94) were not brought forward concurrently when the Plan Winnipeg amendment received its third reading. This oversight is now being corrected.

Advising that it is now in order to place By-law No. 7020/97 before Council for second and third reading, and By-law No. 7701/2000 before Council for all three readings. Files EP-1.1 (PW 5/97) and SPA 1/97 (By-law Nos. 7020/97 and 7701/2000)

From the City Solicitor/Manager of Legal Services,

**914 -** Submitting as instructed by Council on September 20, 2000, draft by-law to amend the City Organization By-law No. 7100/97 and certain other by-laws in order to change the name of the Emergency Response Service to the Fire Paramedic Service, which by-law may receive all three readings.
File GP-1.36 (Vol. 2) (By-law No. 7702/2000)

Moved by Councillor Vandal,

That the following communication which was received too late to be placed on the regular agenda, be received as information.

Carried.

**Communications (continued)**

From the City Solicitor/Manager of Legal Services,
**915 -** Submitting as instructed by Council on September 20, 2000, draft by-law to amend the Procedure By-law No. 5400/90, which by-law may receive all three readings.

Advising that Clause 1 of the Report of the Secretariat Committee dated September 19, 2000, included a recommendation that a new rule (referenced as Rule 53.9) be included to restrict reconsideration of by-laws which have been previously defeated by Council at first, second or third reading. Attention is drawn to the following:

- The wording of this provision has been redrafted somewhat, and it has been renumbered as Rule 53.12. (The existing Rule 53.12 has been renumbered as Rule 53.13).

- In situations where a by-law has been defeated at Council and Council should instruct the City Solicitor to resubmit a new by-law for reconsideration, it would be necessary for this office to provide advice as to any procedural requirements that might apply (for example, the necessity of re-advertising and holding of any applicable public hearing) prior to the by-law being enacted by Council.
