REASON FOR THE REPORT:

All street and lane closings require the consideration of the Community Committee.

HISTORY:

The Planning, Property and Development Department has received a joint application from the three adjoining property owners to purchase the portion of the public lane shown hatched on the attached Misc. Plan No. 11059/3. The lane is paved and serves no apparent public purpose.

The Ukrainian Catholic Parish of St Peter and St Paul and the Dairi Whip have individually approached the City in the past seeking to purchase the portion of the lane adjacent to their property, but withdrew their applications when advised that turnaround areas in their property would be required. Now that the Marion Hotel has joined the Parish and the Dairi Whip as an applicant, the entire length of the lane may be closed and turnaround areas will not be required.

DISCUSSION:

Administrative Approval

All affected City departments and public utilities have considered the proposal. There are no administrative objections to the closing.

Easements

Manitoba Hydro, Centra Gas, MTS Allstream and Shaw Cable will require easements for the maintenance of their plants in the lane. No permanent structures will be allowed in these easement areas.

Transfer of Jurisdiction Over Public Rights-of-Way

The lane must be legally closed before it may be sold. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and entitles the City of Winnipeg to be the owner of the property. The City cannot dispose of the land until this has been done.
