Dear Councilors;

As President of the Sherbrook Sharks Swim Club Inc. I am approaching your committee to once again to request a fee waiver for pool and staff costs at the Sherbrook Pool for our 2005/06 swim season (Sept. 16/05 - June/06). Please find enclosed a budget for the season.

I would just like to inform you that the people involved in the operation of the swim club are all volunteers and their participation accounts for approximately 2,000 volunteer hours per season. This pattern of active volunteer participation has continued from the club's startup in December of 1994.

Without the support of council over the past number of years, this great program of introducing a sport to children who for various reasons (ie: culture, social and economic reasons) would not have been able to access it.

The coaches, children and their parents join me in thanking you for your contribution to the Sherbrook Sharks. You have made a difference by supporting our program in these past years. I look forward to seeing you at your first meeting in the fall.

Yours sincerely,

Randy Conway
President, Sherbrook Sharks Swim Club
