REASON FOR THE REPORT:

City Council approval is required for all facility naming opportunities.

HISTORY:

In 1997, the Winnipeg Library Foundation was created as the fundraising arm of the Winnipeg Public Library Board to raise funds in support of capital projects for the Winnipeg Public Library system.

In July 2001, Council approved the Millennium Library Project and Term Sheet that outlined the terms and conditions of the partnership between the City of Winnipeg and the Winnipeg Library Foundation. This document identified the naming opportunity procedures for the project.

Since 2001, the Winnipeg Library Foundation has been actively soliciting funds from private sector individuals and/or companies for the Millennium Library Project.

The Millennium Library is scheduled to open in the fall of 2005**.**

DISCUSSION:

In July 2001, City Council approved the Millennium Library Project and Term Sheet that outlined the terms and conditions between the City of Winnipeg and the Winnipeg Library Foundation.

The Term Sheet indicated that the naming rights for the library building itself, or designated areas within the facility, would be considered in consultation with the appropriate city staff, and would be determined by the Millennium Library Project Steering Committee and subject to the approval of City Council.

Included in the Term Sheet was a preliminary list of donor recognition opportunities. They were:

- Theatre/Auditorium – Carol Shields
- Art Gallery Exhibit Space – M. Blankstein
- Children's Services Counter – Wawanesa
- School-Aged Children's Area – B. Natch
- Pre-School Children's Area – TD Bank
- Young Adult Technology Centre – Royal Bank

Since 2001, the Winnipeg Library Foundation has been actively fundraising from private sector individuals and/or companies for the Millennium Library Project.

Some specific rooms, areas, counters and other items have been identified by the Winnipeg Library Foundation as potential donor opportunities (Appendix 1).

The Community Services Department, Library Services Division is requesting that the attached list of naming opportunities be approved as a way of providing long-term recognition to those donors who have made a significant contribution to the Millennium Library Project. Approval of this report would result in private sector individuals and/or companies having their name attached to rooms, areas, counters or other items in the new Millennium Library, as well as on a donor wall within the library.

Council approval is needed to proceed with the development of appropriate signage for the rooms, areas, counters and other items in the new Millennium Library with a goal of having such signage in place for the opening of the library.

FINANCIAL IMPACT STATEMENT:

The Community Services Department, Library Services Division, will purchase appropriate signage to recognize the names of individuals and/or companies through the Commitment Reserve Fund that was allocated and approved for signage as part of the Millennium Library Project. The Commitment Reserve Fund currently contains $100,000 for "Millennium Library Signage" [department id 628303]. The cost of the proposed signage is yet to be determined; however it will be within the previously approved commitment reserve fund.
