EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On July 20, 2005, the Executive Policy Committee referred to the Chief Administrative Officer for review and recommendation the following first phase recommendations of the Red Tape Commission, said report(s) to be submitted to the Executive Policy Committee for consideration in September 2005 (Recommendations 5 and 24), and October 2005 (Recommendations 19 and 28), namely:

- Recommendation 5
  Adopt an "easy-pay" policy to offer customers a consistent standard for payment options citywide.

- Recommendation 19
  Create a "regular events permit" to consolidate permit approvals and payments for regular festivals events into a permanent permit. Once filed and approved, each "regular event" should have the option to simply renew or adjust the permit annually.

- Recommendation 24
  Build a better "front door" to City services through a series of small but important changes to improve the welcome for citizens and business customers.

- Recommendation 28
  Consult with stakeholders on techniques to improve impact statements in public service reports to Council wherever possible, helping to prevent red tape before it ever appears.
