REASON FOR THE REPORT:

All street name changes require the consideration of the Community Committee.

HISTORY AND DISCUSSION:

On July 27, 2005, Council approved DAO 2/2004, an application to open a public street from the present terminus of Whytewold Road north of Silver Avenue to Saskatchewan Avenue. This new street is to be named Wihuri Road.

Changing the name of the portion of Whytewold Road north of Silver Avenue to Wihuri Road as shown on the attached Misc. Plan No. 12643 will effect the creation of a singular street name for all of the roadway between Silver and Saskatchewan Avenues. This will eliminate confusion for anyone, and particularly for emergency response providers, using the street.

There are four buildings with Whytewold Road addresses on this section of street. All of these buildings are on Department of National Defence property. The DND has no concerns regarding the assignation of Wihuri Road addresses to the buildings.
