RE: Amendment to Doing Business in Winnipeg By-law No. 91/2008

Please find enclosed a draft by-law that, if enacted by Council, would amend the Doing Business in Winnipeg By-law to expand the definitions of “bicycle dealer” to include purchasers of bicycle parts and “used good dealers” to include scrap metal dealers. The definition of “scrap metal” is also added to the By-law.

This amending by-law complies with the direction given by Council in January 30, 2020 when concurring in Recommendation 2 of Item No. 1 of the Report of the Standing Policy Committee on Protection, Community Services and Parks dated January 8, 2020.

As set out in that Recommendation, this draft by-law is to be brought to a meeting of the Standing Policy Committee on Protection, Community Services and Parks within 180 days of January 30, 2020. If the Standing Policy Committee approves of the draft by-law, the appropriate course of action would be to recommend its enactment to Council.

If you have any questions, please contact the writer.
