EXECUTIVE SUMMARY

On November 26, 2019, Executive Policy Committee directed the Winnipeg Public Service to report back on the number of consultants hired by the City of Winnipeg beginning in 2015 and each year thereafter, and include the following in the report:

1. The specific departments the consultant worked with.
2. The projects the consultant was hired for.
3. The total cost paid to consultants performing work for the City of Winnipeg.

The Report is based on payments during the period of January 1, 2015 to December 31 2019, including payments on all consultant contracts, whether awarded by single source or as a result of a competitive Request for Proposal.

This Report includes all City Departments. The Mayor and Council consultant expenditures are reported together with all expenditures on a monthly basis on the City's website and, as such, are not repeated in this Report.

RECOMMENDATIONS

1. That this Report, including Appendices, be received as information.

REASON FOR THE REPORT

On November 26, 2019, Executive Policy Committee directed the Winnipeg Public Service to report back on the number of consultants hired by the City of Winnipeg beginning in 2015 and each year thereafter.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no implications to receiving this report as information.

HISTORY/DISCUSSION

Attached to this report are Appendices which include the requested detail on consultant contracts based on payments made to the consultants during that year. Consultant services are services provided directly to the City of Winnipeg, as defined in Administrative Standard FM-002.
