Item No. 3 Rezoning - 200 Woodlawn Street
File DAZ 237/2005

STANDING COMMITTEE RECOMMENDATION:

On November 1, 2005, the Standing Policy Committee on Property and Development concurred in the recommendation of the Assiniboia Community Committee and recommends to Council:

1. That The Winnipeg Zoning By-law No. 6400/94 be amended by rezoning the subject land as shown on Schedule "A" for File DAZ 237/2005 dated October 7, 2005, from a "R1-5.5A" Residential District to a "C2" Commercial District subject to the following:

    A. That the applicant enter into a zoning agreement with the City of Winnipeg pursuant to Subsection 240(1) of The City of Winnipeg Charter to provide for the following:

        i. That for the development of any building and/or accessory parking area and/or signage, plans shall be submitted showing the location and design of the proposed buildings, the location and design of accessory parking areas, private approaches, garbage enclosures, fencing, landscaping and signage to the Director of Planning, Property and Development and the Assiniboia Community Committee for plan approval prior to the issuance of any building or development permit, and thereafter all to be maintained to the satisfaction of the Director of Planning, Property and Development;

        ii. That only the following uses shall be permitted on the land:

            a. church, synagogue, or similar place of religious worship
            b. convent, monastery, or similar place of religious retreat
            c. day care centre, for the children of customers, employees, or tenants on the same zoning lot
            d. hospital, or similar treatment centre
            e. institution, residential, including nursing home, personal care home, or similar use
            f. laboratory: medical, dental or optical
            g. medical, dental, optical, counseling, or other health or therapeutic clinic
            h. medical, dental, optical or other precision instruments prosthetics: rental, sale, service

i. medical, dental, optical or other precision instruments, prosthetics: custom manufacture
j. office
k. parish hall, accessory to a place of religious worship
l. shelter house
m. university, college, technical school

iii. That there shall be no advertising signs, mobile signs, poster signs and A-frame signs on the entire site, except that a mobile sign shall be permitted on the site for a period of thirty (30) days in association with a new occupancy permit.

iv. That no illuminated signage be erected on the north or west sides of the building.

v. That there be no flashing or scintillating signs.

vi. That prior to the issuance of any permits all garbage containers be fully enclosed by a brick/concrete and/or wood barrier fence that is at least six (6) inches above the top of the garbage containers and thereafter maintained to the satisfaction of the Director of Planning, Property and Development.

vii. That the height of the building be restricted to a maximum of four (4) storeys.

2. That a ten percent (10%) dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

3. That in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

4. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three (3) readings.

Report - Standing Policy Committee on Property and Development – November 1, 2005

5. That the rezoning by-law shall come into effect when the Zoning Agreement has been registered by caveat against the subject land at the Winnipeg Land Titles Office, provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.

6. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.

7. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

SUMMARIZATION OF REPRESENTATIONS AND SUBMISSIONS
MADE AT THE PUBLIC HEARING

The applicant, James R. Wagner, Cohlmeyer Architects Limited, appeared in support of the application and gave a brief overview of the proposal. Mr. Wagner inquired as to the removal of the restriction of illuminated signs on the east side of the property being that was entranceway.

Councillor Eadie concurred with the request of removing the restriction of illuminated signage on the east side, inasmuch as signage would require plan approval by the Community Committee. He further suggested the addition of a height restriction on the building in order to protect the nearby residential area.

Mr. Wagner concurred to the height restriction.

Subject: **Rezone the land to allow the establishment of a Movement Disorder Clinic.**

Location: **200 Woodlawn Street**

Applicant: **Cohlmeyer Architects (James Wagner)**
Owner: **Winnipeg Regional Health Authority**

Recommendation: **Approve with Conditions.**

Report Summary:

- The applicant intends to renovate and expand the existing historical building to establish a 'movement disorder clinic'.
- The expansion will be on the north side with the construction of a two story and three story addition.
- A new 'U' shaped asphalt driveway will be connected to the west side of Woodlawn Street to facilitate a drop off location for patients without impacting traffic on Woodlawn Street.
- There is an associated variance for parking since no additional parking spaces will be provided.

Site Description

The subject property is approximately **120 feet by 104 feet**, **12,461 square feet (1,1158 square metres)** located on the northwest corner of Portage Avenue and Woodlawn Street in the Deer Lodge neighbourhood of the St. James - Brooklands Ward. The site is zoned **"R1-5.5" Single Family Residential District** and is occupied by a two story historical building commonly known as 'The Women's Tribute Memorial Lodge'. Adjacent lands include Deer Lodge Hospital zoned "**R1-5.5**". Surrounding lands include commercial properties zoned "C2" on the northeast corner of Portage Ave and Woodlawn St.

Background

This two-story commemorative building constructed in 1931 was initiated by a group of Winnipeg women as an active symbol of gratitude and remembrance for those who served in World War I. The buff brick and tyndall stone building stands on a concrete foundation with cut limestone as a decorative base. The second floor rises from the centre of the building and is distinguished by a tyndall stone band which outlines a flat roof.

In the inter-war years and the early post-war years the Women's Tribute Memorial was a scene of much activity, as it offered club rooms, a lecture and entertainment auditorium, a billiards room, canteen and lunch room operated by the women's auxiliary of the Deer Lodge Branch. In 1978, custodial duties of the building were transferred to the Valour Road Branch of the Canadian Legion who continued to use the building until December, 1986 when the responsibility of the building passed on to the Winnipeg Foundation. The building is presently closed.

Description of the Proposed Development

The land owner intends to renovate the existing historical building, and expand the facility for a movement disorder clinic. The 'movement disorder clinic' will occupy the main and second floors of the existing building with exam rooms, offices, labs, and therapy rooms. A new 'Universal Designed' entrance, waiting area with atrium, will be added as a two story structure to the rear of the existing building. A three story structure will also be added adjacent to the new, two story addition, to provide an elevator and waiting area for the second story of the existing building. The total floor area of the movement disorder clinic will be **6,630 square feet**.

No additional parking will be provided and is subject to a variance application. A new 'U' shaped asphalt driveway will be connected to the west side of Woodlawn Street to facilitate the dropping off of patients without impacting traffic on Woodlawn Street.

Analysis

PLAN WINNIPEG
The proposed concept complies with Plan Winnipeg in that a commercial rezoning is allowed in Neighbourhood Policy Areas.

ZONING

- The **"R1-5.5" Single Family Residential District** requires a minimum lot size of 5,500 square feet and a minimum lot width of 50 feet.
- A **"C2" Commercial District** has 104 Permitted Uses and 47 Conditional Uses that are generally orientated to a community wide market.

TRANSPORTATION AND SITE ACCESS
A new 'U' shaped asphalt driveway will be connected to the west side of Woodlawn Street to facilitate the dropping off of patients without impacting traffic on Woodlawn Street.

HERITAGE STATUS
The building is listed on the City of Winnipeg's Buildings Conservation List. The redevelopment requires approval of the designs by the City of Winnipeg's Historical Buildings Committee. The final plans of the renovation and expansion are being reviewed by the Planning and Land-Use Division's Historical Building's Officer, who has been working with the applicant on this project since March, 2005. Status of the building as a Provincial Heritage Site is pending, requiring a Heritage Permit from the Province of Manitoba's Historical Resources Branch.

Recommendation

The Division recommends approval of the application. The existing building has been a fixture in the neighbourhood for many years. The development of the movement disorder clinic will complement the existing hospital use and retain the historical structure.

The Division is further recommending that the type of uses permitted on the land should be restricted to ensure future commercial uses are compatible with the surrounding residential dwellings, historical nature of the building, and activities of the Deer Lodge Centre. The uses being recommended are generally considered to be **institutional uses** compatible with the hospital and consistent with the historical nature of the facility.
Signage is a particular concern considering the close proximity of the grounds and open green space of the Deer Lodge Centre that includes public art honouring fallen soldiers. It would not be appropriate to have illuminated signage on the east or west side of the building since it may cause a negative impact. Flashing signage would also prove detrimental to the adjacent Deer Lodge Centre.

Recommended Conditions of Approval

1. That The Winnipeg Zoning By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file **DAZ 237/05**, attached hereto and dated, **October 7, 2005**, to a "**C2**" **Commercial District**, subject to the following:

   A. That the applicant enter into a zoning agreement with the City of Winnipeg pursuant to Subsection 240(1) of The City of Winnipeg Charter, to provide for the following:

      i. That for the development of any building, and/or accessory parking area and/or signage, plans shall be submitted showing the location and design of the proposed buildings, the location and design of accessory parking areas, private approaches, garbage enclosures, fencing, landscaping and signage to the **Director of Planning, Property and Development** and **the Assiniboia Community Committee** for plan approval prior to the issuance of any building or development permit, and thereafter all to be maintained to the satisfaction of the Director of Planning, Property and Development;

      ii. That only the following uses shall be permitted on the land:

         a CHURCH, SYNAGOGUE, or similar place of religious worship

2. That a ten (10) per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

3. That, in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

4. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three (3) readings.

5. That the rezoning by-law shall come into effect when the Zoning Agreement has been registered by caveat against the subject land at the Winnipeg Land Titles Office, provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.

6. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.

7. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
