EXECUTIVE SUMMARY

Landmark Planning & Design Inc., on behalf of Qualico Developments (Winnipeg) Ltd., has applied to close that portion of Ridgewood Avenue, east of Community Row for the purposes of creating a public reserve which will be owned by the City. The re-designation from a public right-of-way to a public reserve will be achieved by subdivision and rezoning application No. DASZ 22/2020.

Before the street can be designated as public reserve, it must be legally closed. The Public Service recommends approval of the proposed closing.

RECOMMENDATIONS

1. That subject to Recommendation 2, the proposed street closing shown on Miscellaneous Plan No. 15662 attached as Appendix "B", be approved.

2. That the Director of Legal Services and City Solicitor be instructed to prepare and bring directly to Council for enactment, a by-law to facilitate the street closing in accordance with Miscellaneous Plan No. 15662, subject to the developer and/or assignee fulfilling its obligations under the administrative conditions of approval outlined in Appendix "A" of this report.

3. That in the event the subject closing is not proceeded with expeditiously and the by-law:

    A. is not enacted within two (2) years following the date the subject report is approved by Council; and

B. is not registered in The Property Registry within one (1) year following the date it is enacted by Council,

the matter shall be deemed to be concluded and shall not be proceeded with, unless an extension of time is applied for, prior to the expiry of the two (2) year period referred to in clause A above, and Council approves the extension.

4. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Pursuant to section 12(1)(b) of the Development Procedures By-law No. 104/2020, the relevant Community Committee is the hearing body for a combined hearing where a matter relates to a site located entirely within the geographical boundaries of one community and no part of the site is within the area to which the Downtown Winnipeg Zoning By-law applies.

Pursuant to section 12(2) of the Development Procedures By-law No. 104/2020, a designated employee is authorized to determine that a public hearing in respect of a development application be combined with a development application for the legal closing of a street.

Council approval is required before a street can be legally closed.

IMPLICATIONS OF THE RECOMMENDATIONS

All costs associated with the proposed closing is the responsibility of the developer and/or assignee. There are no financial implications for the City of Winnipeg.

HISTORY/DISCUSSION

Ridgewood Avenue was opened by Plan No. 3390 registered in the Winnipeg Land Titles Office on March 5, 1930.

The subject portion of Ridgewood Avenue proposed to be closed is unimproved. It exists as a natural forest abutting the Harte Trail. It serves no public transportation purpose. The proposed closing and designation as a public reserve aligns with the Winnipeg Climate Action Plan by preserving many mature trees.
