REASON FOR THE REPORT:

The Planning, Property and Development Department is in receipt of an Offer to Purchase the subject City-owned property shown outlined on Misc. Plan No. 12477. Council approval is required to declare City owned property surplus to the City's needs. Approval by the Standing Policy Committee on Property and Development is required for the sale of the subject City owned property.

HISTORY:

The subject City property shown outlined on Misc. Plan No. 12477 forms part of lands that the City acquired from the former Village of Brooklands, which was adjacent to the former landfill site.

Details of the subject property are as follows:

Location:	West side of Oak Point Highway South of Hyde Avenue
Legal Description:	Lot 62 Plan 24342
Certificate of Title:	1128993
Roll Number:	07092120000
Assessment:	$25,800.00
Size:	5,981.6 square metres (64,386 square feet)
Zoning:	"C3-2" Commercial District
Estimate of Value:	$34,000.00

DISCUSSION:

Recently, the adjoining owner Bergner Equipment Rentals Ltd. expressed interest in purchasing the subject property shown outlined on Misc. Plan No. 12477. It has indicated that the property would be used for the purpose of expanding yard operations and accommodating the parking of additional truck trailers.

The subject property was circulated to all City Departments and no Civic need was identified. In addition, the Water and Waste Department has indicated that the subject City property is well outside of the landfill control zone and that there are no concerns with the City selling this property from a water or sewer perspective.

The Ward Councillor was consulted and has advised that he has no objections to the sale of the property.

The Planning, Property and Development Department has concluded its negotiations with Bergner Equipment Rentals Ltd. for the sale of the subject property shown outlined on Misc. Plan No. 12477.

Details of the Offer are as follows:

Price Offered:	$25,000.00
Deposit:	$3,700.00 being 15% of the purchase price (certified cheque)

Although the proposed Purchaser is not prepared to pay the City's asking price of $32,000.00, the Planning Property and Development Department is supportive of the sale to Bergner Equipment Rentals Ltd. for the price of $25,000.00 for the following reasons:

1. Hyde Avenue is not an improved street at this location.
2. A considerable amount of fill and grading will be required to fully utilize the subject property.
3. Bergner Equipment Rental Ltd. is the only potential purchaser of the land since the subject property is adjacent to their property and it is land locked.
4. Bergner Equipment Rentals Ltd. will be required to consolidate the subject property with its adjacent lands.
5. The property will be added to the tax roll.

Additional Comments:

Revenues in 2006 consist of the $25,000 purchase price and incremental realty taxes of $482, the latter amount continuing to be collected on an annual basis. The tax revenue is based on the assumption that the assessed value of the property equals the purchase price, the portioning and mill rates equal the current ones and remain constant, and that the property is added to the tax roll effective January 1, 2006. The sale proceeds will be credited to the Land Operating Reserve Fund while the tax revenues will accrue to the General Revenue Fund.
