HISTORY/DISCUSSION

The Civic and Police Employees' Group Life Insurance Plans Corporation (the "Municipal Corporation")

In accordance with by-law 80/2015, the Board of Directors of the Municipal Corporation is comprised of five individuals appointed as follows:

- one appointee of the Winnipeg Police Association appointed on behalf of the Police Plan.
- one appointee selected by a majority of the civic unions appointed on behalf of the Civic Plan
- two appointees of Council; and
- a designated employee (as defined in the City of Winnipeg Charter) appointed by Council

Michael Ruta, Interim Chief Administrative Officer; has been the Council approved designated employee appointee until his resignation from this Board on March 15, 2021. It is recommended that Michael Ruta be replaced with Catherine Kloepfer, Chief Financial Officer, as the designated employee. The other two appointees of Council are Marc Pittet and Todd Slatnik.

The Municipal Corporation was incorporated August 1, 2015 to maintain, manage and administer the Civic Employees' Group Life Insurance Plan and the Police Employees' Group Life Insurance Plan, both of The City Winnipeg.

The Sinking Fund Trustees of the City of Winnipeg

The Sinking Fund Trustees of The City of Winnipeg was established by *The City of Winnipeg Act*. Effective January 1, 2003, *The City of Winnipeg Act* was repealed and replaced by *The City of Winnipeg Charter.* The rights and obligations outlined under the Former *The City of Winnipeg Act* are maintained by *The City of Winnipeg Charter.*

As legislated, The Sinking Fund Trustees of The City of Winnipeg shall be comprised of four trustees, one of which will be the Chief Financial Officer.

Michael Ruta, Interim Chief Administrative Officer; in his capacity as Chief Financial Officer, has served as a trustee until his resignation from on March 15, 2021. It is recommended that Michael Ruta be replaced with Catherine Kloepfer, Chief Financial Officer, as trustee. The other three trustees appointed by Council are Paul Olafson, Rob Provencher and Tanis Yanchishyn.

The trustees manage a sinking fund related to the February 2, 2029 debt issue of $60 million, assumed by Manitoba Hydro through the sale of Winnipeg Hydro to Manitoba Hydro. However, the debt was issued by the City of Winnipeg and remains an obligation of the City to make interest payments and retire the debt at maturity. Manitoba Hydro is required to pay to the City of Winnipeg the annual interest servicing cost and the principal value of the debenture issue at maturity. The role of the Sinking Fund Trustees of The City of Winnipeg remains limited to this run-off of debt.
