REASON FOR THE REPORT:

All street and lane closings require the consideration of the Community Committee.

HISTORY:

The Planning, Property and Development Department has received a request from the owner of No. 221 Shore Street to purchase the portion of the street identified as "Proposed Closing" on the attached drawing. The property owner intends to subdivide his lot and wishes to acquire the street for incorporation into the subdivision.

DISCUSSION:

Administrative Approval
The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the closing.

Easements
Manitoba Hydro will require an easement for the maintenance of its services in the portion of the street proposed to be closed. No permanent structures will be allowed in the easement area.

Transfer of Jurisdiction Over Public Rights-of-Way
The street must be legally closed before it may be sold. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and vests the ownership of the property in the City's name. The City is not entitled to dispose of the land until this has been done.
