Report date:	**November 4, 2005**
Recommendations:	**1. That the proposed street opening as shown on Misc. Plan No. 12692 be approved.** **2. REPORT SUMMARY

Key Issues:

- One of the conditions of DASSF 512/98, an application to subdivide certain lands at the rear of the Victoria General Hospital site adjacent to Snow Street, was that no building permits would be issued to the lots adjoining Snow Street until the applicant had constructed a turnaround area at the south terminus of the street.

- The owner of 80 Snow Street, Southwood Estates Inc., wishes to construct the turnaround area so that it may proceed with the development of the lot. It is now appropriate to initiate the process by which the turnaround area is formally dedicated as part of Snow Street.

REASON FOR THE REPORT:

All street and lane openings not previously approved by Council require the consideration of the Community Committee.

HISTORY:

In 1998, the Planning, Property and Development Department approved DASSF 512/98, an application to subdivide certain lands at the rear of the Victoria General Hospital site adjacent to Snow Street. One of the conditions of the approval of the subdivision application was that no building permits would be issued to the lots adjoining Snow Street until the applicant had constructed a turnaround area at the south terminus of the street.

There are two lots affected by the condition regarding building permits. The Victoria General Hospital has sold the lot at 80 Snow Street and has retained the lot on the west side of the street. The owner of 80 Snow Street, Southwood Estates Inc., has initiated the construction of the turnaround area so that it may proceed with the development of the lot. Southwood Estates will be responsible for all costs associated with the project.

DISCUSSION:

Administrative Approval

The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the closing, subject to the Applicant fulfilling his obligations with respect to Council's approval of rezoning application DAZ 227/2005, and subject to the solicitor for Southwood Estates providing a letter from the Victoria General Hospital consenting to the dedication of its property as Snow Street.
