RE: DAOC 3/2005 – PROPOSED OPENING OF PARTS OF GATEWAY ROAD, THE PUBLIC LANE ADJACENT TO 562 TRENT AVENUE, THE PUBLIC LANE ADJACENT TO 545 WATT STREET, SPRINGFIELD ROAD AND SUN VALLEY DRIVE; PROPOSED CLOSING OF PART OF TRENT AVENUE

For submission to: **The East Kildonan-Transcona Community Committee**

Report date: **August 9, 2005**

Recommendations:

1. That the proposed openings and closing as shown on Misc. Plan Nos. 12178/2, 12180, 12181/1 and 12182 be approved.

2. That the City Solicitor/Manager of Legal Services be instructed to prepare the necessary by-law for submission to Council to effect the openings and closing in accordance with Misc. Plan Nos. 12178/2, 12180, 12181/1 and 12182, subject to the approval of the Standing Policy Committee on Property and Development.

3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REPORT SUMMARY

Key Issues:

- It is necessary to formally open as public streets and lanes the portions of the City properties within and adjacent to the Pointe Du Bois Transmission Line that are used as streets and lanes.
- Trent Avenue at Golspie Street has been permanently barricaded to vehicular traffic. The street should be formally closed. The portion of the closed street containing the sidewalk should then be re-opened as a public walkway.

REASON FOR THE REPORT:

All street and lane openings and closings require the consideration of the Community Committee.

HISTORY:

In July of 2002, Council approved the transfer to Manitoba Hydro of certain lands formerly held by Winnipeg Hydro. The Pointe Du Bois transmission line is one of these properties. Portions of the transmission line are used today as parts of the public lane adjacent to No. 562 Trent Avenue, and as Gateway Road, Springfield Road and Sun Valley Drive. These portions are shown on the attached Misc. Plan Nos. 12178/2, 12180, 12181/1 and 12182, respectively. It is necessary to dedicate these lands as public rights of way prior to the transfer of the transmission line to Manitoba Hydro.

A portion of the City property at 545/565/569 Watt Street (the Community Parks Offices and yard and Ambulance Station No. 8) has been in use as a public lane for a number of years and should be dedicated for that purpose. This opening is shown on Misc. Plan No. 12178/2.

Trent Avenue at Golspie Street has been permanently barricaded to vehicular traffic. The street should be formally closed. The portion of the closed street containing the sidewalk should then be re-opened as a public walkway. The City of Winnipeg will retain the closed portion of the street. This closing and re-opening is shown on Misc. Plan No. 12178/2.

DISCUSSION:

Administrative Approval

The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the openings and closing. There are no easement requirements.

IN PREPARING THIS REPORT, THERE WAS CONSULTATION WITH AND CONCURRENCE BY:

Planning, Property and Development Department – Community Planner, Geomatics and Zoning & Permits Branches

Corporate Finance Department – Local Improvements

Public Works Department – Transportation Division

Water and Waste Department – Engineering Division

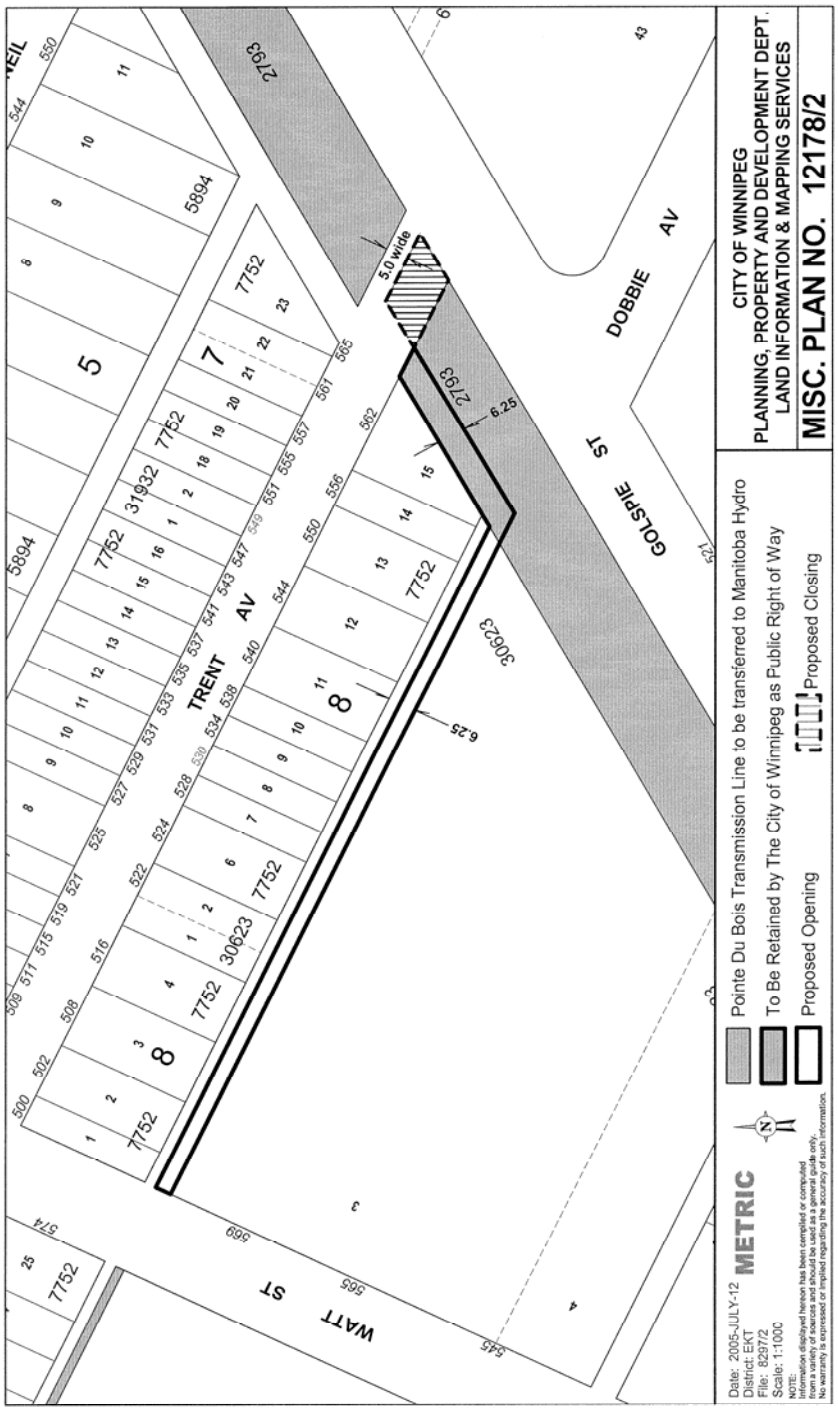

Centra Gas, MTS Communications

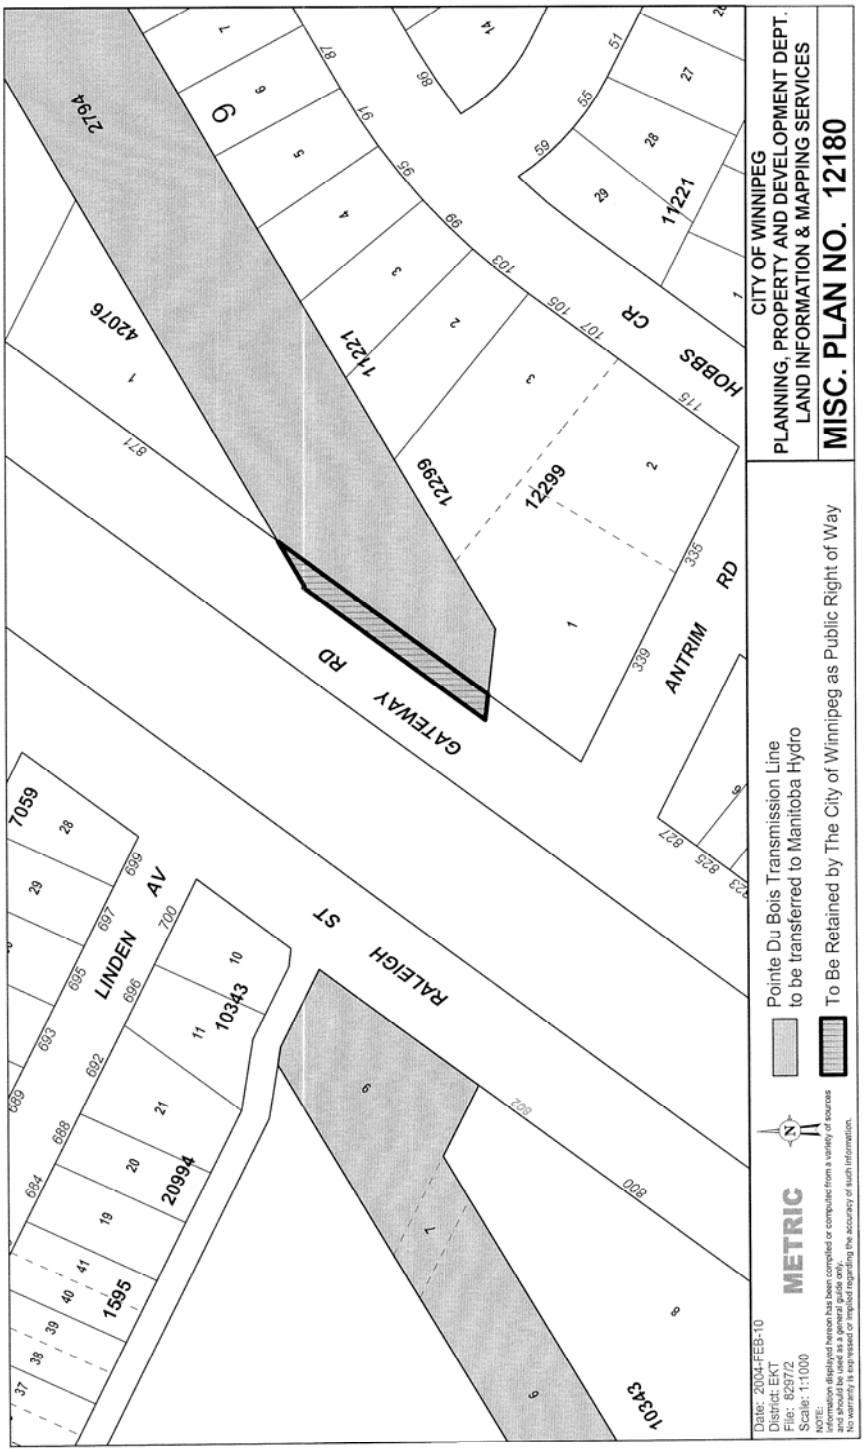

Manitoba Hydro and Shaw Cable did not respond to the request for notice of easement requirements. It is assumed that no easements are required.
