INTER-OFFICE MEMORANDUM

FILE:	G.1/2021(428)	**DATE:**	October 26, 2021

RE: Solid Waste By-Law

With regard to the above-referenced By-law, we request that the that new version of the by-law that was to be placed before Council at its meeting on October 28, 2021, please be withdrawn for consideration.

The recommendation in the related administrative report submitted by the Water and Waste Department relating to the implementation of the Multi Family Waste Diversion fee was recently referred to the budget working group by the Standing Policy Committee on Water and Waste, Riverbank Management and the Environment, the Executive Policy Committee. However, the Solid Waste By-law was also submitted (in Recommendation 4) with proposed changes tied to the implementation of this fee.

Given that the of the Multi Family Waste Diversion fee was the only reason for the amendment of the By-law, the by-law amendment cannot proceed at this time and should be withdrawn.
