Attachment to Minute 136

Mayor's Advisory Committee on the Environment

Terms of reference:
Provide independent advice to assist The City of Winnipeg in providing leadership to conserve and protect the environment and enhance quality of life for the benefit of Winnipeg citizens and future generations.

Membership:
1 representative from the International Institute of Sustainable Development (IISD)
1 representative from the Climate Change Connection (Eco Network)
1 representative from the Chamber of Commerce
1 representative from the Fort Whyte Environmental Education Centre
1 representative from the Centre for Indigenous Environmental Resources
1 representative from the Natural Resources Institute, U of M.
1 representative from Manitoba Conservation
1 representative from Environment Canada

Chair: Councilor Gord Steeves, Chair SPC PCS.

Appointments: It is recommended appointments be made in January 2006 for one year

Liaison: Alec Stuart, Environmental Coordinator for the City will serve as Liaison to the Committee

Meetings: Committee will meet at the call of the Chair at least 4 times per year.

Goals: That the Civic "Embracing Sustainability: An Environment Priority and Implementation Plan for the City of Winnipeg 2004-2006" be reviewed in 2006 to assess success in implementation, report back on lessons learned and recommend changes for an update to be presented to Council in 2007 by EPC with priority given to the urban forest, elm trees and pathways.
