Hi Josie,

Please be advised that Friends of Sherbrook Pool has 3 issues to add to your agenda for the Community Committee Meeting, Tuesday 06 December, 2005:

1) Ongoing Maintenance & Mechanical Issues
2) 75th Anniversary Funding
3) Support for Winnipeg Partnership Agreement proposal

A couple of us must leave early; is it possible to be close to the start of the meeting? If you require further information (handouts), please let me know.

Many thanks,

Angela
