SUMMARIZATION OF REPRESENTATIONS AND SUBMISSIONS
MADE AT THE PUBLIC HEARING

John Courtney appeared in support of the application. He indicated that the building was donated by Teen Challenge and that the "Community of Hope" organization would like to develop a second hand store, drop in centre, and food bank at the subject location. He requested that the land dedication fee be waived due to the nature of the program, which is organized by the church and is not-for profit. He advised that any money saved will go towards the organization.

Councillor Wyatt indicated that based on the organization's record, he will be requesting that favourable consideration be given to waiving the land dedication fee inasmuch as the organization is non-profit and the fee could take away from programs offered.

Planning, Property and Development Department Report

To the East Kildonan - Transcona Community Committee

Date: **September 21, 2005**
File: **DAZ 245/05**
Related Files: **DCU 05-146483/C**
Subject: **Rezone the land to allow a second hand store, drop in centre and food bank.**

Location: **274 Talbot Avenue**

Applicant: **Riverwood Church Community (Vivian Wall)**
Owner: **Teen Challenge Central Canada**

Recommendation: **Approve with Conditions.**

Report Summary:

- Riverwood Church Community intends to use the building as their Community of Hope Ministry Centre.
- The center will include a community drop-in centre; a food bank operating in conjunction with Winnipeg Harvest, and a second hand clothing / small house wares store.
- The proposed uses are not permitted in the "R2-T" Residential District and are 'conditional' in the "C2" Commercial District.
- Commercial and similar types of uses have occupied the building at 274 Talbot since at least 1968.

Site Description

The subject property is approximately **14,241 square feet** located on the south side of Talbot Avenue between Stadacona St and Brazier St in the Chalmers neighbourhood of the Elmwood – East Kildonan Ward. The site is zoned **"R2-T" Residential District** and is occupied by a one story, 2,400 square foot stucco building. Adjacent lands include single family dwellings to the west and a church to the east zoned "R2-T". Surrounding uses include single and multiple family dwellings to the west and north.

Background

The building was converted to a funeral parlour in 1968 under DAV 33/1968. A non-conforming auto body shop was in the building when it was purchased to be used as a funeral parlour. The building was expanded in 1969 for an addition to the funeral parlour. A church replaced the funeral parlour in 1986 under DAV 146/86 to permit the conversion of an existing non-conforming commercial building into a church. More recently Teen Challenge Canada used the building to facilitate a program with youths rehabilitating office furniture (desks, chairs, etc).

Description of the Proposed Development

Riverwood Church Community intends to use the building as their Community of Hope Ministry Centre. The center will include a community drop-in centre; a food bank operating in conjunction with Winnipeg Harvest, and a second hand clothing / small house wares store.

Plans submitted indicate the existing building will be used and the site will not be altered. Access will continue to be from Talbot Avenue with parking on the west side of the building.

Analysis

PLAN WINNIPEG
The proposed concept in consistent with Plan Winnipeg in that a commercial rezoning is allowed in Neighbourhood Policy Areas.

ZONING

- The **"R2-T" Transitional District** is intended to accommodate single and two family development and, where appropriate, limited multiple family development in lower-density transitional neighbourhoods.
- A **"C2" Commercial District** has 104 Permitted Uses and 47 Conditional Uses that are generally orientated to a community wide market.

LAND USE BY-LAW ISSUES
The applicant is required to make application for a conditional use for the proposed second-hand store and food bank/drop in centre (**DCU05-146483D**). A second hand store and food bank is not permitted in the "R2-T" Residential District.

Recommendation

The Planning and Land-Use Division supports the rezoning application. The application will reflect an existing on-ground condition of a commercial building that has housed commercial type uses for the last +35 years. The rezoning will legally allow commercial uses to occupy the building.

The Division is further recommending that the type of uses permitted on the land should be restricted to ensure future commercial uses continue to be compatible with the surrounding residential dwellings. These uses are generally considered to be intensive commercial users with associated sounds, smells and/or visual impacts that would be detrimental to the adjacent residents.

Signage is a particular concern considering the close proximity of the residential dwellings directly to the north and east. It would not be appropriate to have signage on the east side of the building since it may cause a negative impact on the neighbours. Flashing signage and signs in excess of the allowable amount would also prove detrimental to the adjacent residents.

Recommended Conditions of Approval

1. That The Winnipeg Zoning By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file **DAZ /05**, attached hereto and dated, **September 21, 2005**, to a "**C2**" **Commercial District**, subject to the following:
