INTER-OFFICE MEMORANDUM

RE: Complete Communities Direction Strategy 2.0 - Bylaw No. 119/2020 - Third Reading

At its meeting of July 22, 2021 Council gave second reading of By-Law 119/2020 and it's recommended to Council that By-law No. 119/2020 as amended be given a third reading.

It has come to our attention that there were several mapping errors in the Appendix 1 previously provided. Further, as a result of changes to the proposed OurWinnipeg2045 that were imposed by the Province, changes to Appendix 1 were made in order to maintain consistency with the proposed OurWinnipeg2045. Finally, as a result of the new Airport Vicinity Protection Area Regulation M.R. 66/2017 that replaces the Airport Vicinity Protection Area Secondary Plan By-law No. 6378/94, changes to Appendix 1 were made in order to reflect this new Provincial regulation. Attached to this Memo is a list of all changes that have been made to Appendix 1, which changes are considered as errors and omissions. In the event that Council concurs with the changes made at its meeting of May 26, 2022, please replace Appendix 1 to By-law No. 119/2020 with the enclosed replacement Appendix 1 and give By-Law 119/2020 a third reading.

An electronic copy of the said replacement Appendix 1 has been provided by my assistant to Jennifer Ridge and Lorraine King via email.
