Location: **George Reshaur Bay & Edmund Gale**

Applicant: **Novamet Development Corporation (Lyne Jones)**
Owner: **Novamet Development Corporation**
Recommendation: **Approval**

Report Summary:

- The applicant is proposing to develop **fifty-five** (**55**) single family residential lots fronting Edmund Gale and George Reshaur Bay as part of Canterbury Park.
- Edmund Gale will be extended east from Ravenhurst approximately 1,000 feet.
- George Reshaur Bay will extend south as a 'horseshoe' type bay.
- A new **11.84 acr**e park on the north side of Edmund Gale will be developed.
- The park use was approved as a public reserve under a previous by-law.
- The proposed use and zoning is consistent with the surrounding single family residential lots.

Site Description

The subject property is zoned "**R1-5**" and "**R1-4**" Single Family Residential District. This stage of Canterbury Park is located east of Ravenhurst and south of Lopuck Bay. Adjacent properties include vacant land zoned "A-5" Agriculture District.

Background

Canterbury Park was approved in principle by Council on August 2, 1989 under **DASZ 42/87.** The subdivision plan provides for approximately **1300** single family lots, two school sites and **26 acres** of park land covering **238 acres** of land. The plan was approved for **nine (9)** stages and allows the applicant to proceed with the stages with by-law approvals from Council on a needed basis. The development of the stages has occurred out-of-order over the years with the original stages 1, 4, 2 and 3 being partially completed and renumbered.

The applicant has approval for **505 single family dwelling** lots to date on **77.73 acres** of land. Council has recently approved a by-law for a Public Reserve of **11.84 acres**. The Planning, Property and Development Department had some consultation with the developer regarding the design of the park. The park will include one Soccer / Football pitch, a Baseball Diamond, trees, shrubs, and benches. The subject lands were also included in the by-law and were zoned "R1-4" and "R1-5" Single Family Dwelling Districts as indicated in the original plan of subdivision / rezoning presented to Council under **DASZ 42/87.**

The applicant has recently extended Ravenhurst from John Duncan Drive to Pandora Avenue. *Stage 1G – Lopuck Bay* directly north of the subject lands is currently under construction. The developer has indicated that Chadwick Crescent will be extended to Edmund Gale just east of George Reshaur Bay in 2006. Edmund Gale will be further extended to full completion in 2007.

Description of the Proposed Development

The applicant is proposing to develop **fifty-five** (**55**) single family residential lots fronting Edmund Gale and George Reshaur Bay as part of Canterbury Park. The fifty-five (55) single family lots will range in size from 37 feet to 58 feet. Eleven lots (11) will front Edmund Gale and 44 will be on George Reshaur Bay. The smaller lot sizes require the developer to rezone the subject lands. The developer has the right to develop lots a minimum 50 feet on George Reshaur Bay and 40 feet Edmund Gale.

Analysis

PLAN WINNIPEG
The proposed concept complies with Plan Winnipeg in that a residential rezoning is allowed in Neighbourhood Policy Areas. Increased residential densities are encouraged.

ZONING

- The **"R1-5" Single Family Residential District** requires a minimum lot size of 5,000 square feet and a minimum lot width of 50 feet.
- The **"R1-4" Single Family Residential District** will require a minimum lot size of 4,000 square feet and minimum lot width of 40 feet.
- The **"R1-3.5" Single Family Residential District** will require a minimum lot size of 3,500 square feet and minimum lot width of 35 feet.

COMPATIBILITY WITH SURROUNDING USES
Residential dwellings is the predominant land use on the adjacent properties. The original proposed zoning for the adjacent stages reflect similar lot sizes.

Recommendation

The Planning and Land-Use Division strongly supports single family residential use on the subject lands. This proposed stage is consistent with the subdivision plan for Canterbury Park. The request for a "R1-3.5" zoning designation is reasonable given the previous zoning granted to the surrounding stages of the development.

Recommended Conditions of Approval

1. That the plan of subdivision proposed under File No. **DASZ 27/05** be approved for preparation as a plan of subdivision by a Manitoba Land Surveyor in accordance with Schedule "A" for File No. **DASZ 27/05,** attached hereto and dated **August 8, 2005**, for registration in the Winnipeg Land Titles Office, subject to the following:

    A. That the Developer be required to enter into an addendum to Development Agreement AG 42/87;

2. That the Director of Planning, Property and Development be authorized to certify any documents in connection therewith.

3. That The Winnipeg Zoning By-Law No. 6400/94 be amended by rezoning the subject land as shown on Schedule "A" for File No. **DASZ 27/05,** attached hereto and dated **August 8, 2005**, to a **"R1-3.5" Single Family Residential District**.

4. That, in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

5. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary by-law in accordance with the above.

6. That the subdivision section of the by-law shall come into force and effect upon execution by the City of Winnipeg of the Servicing Agreement.

7. That the zoning section of the by-law shall come into force and effect when the Plan of Subdivision has been registered in the Winnipeg Land Titles Office **provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council**.

8. The Plan of Subdivision shall be approved and signed by the Director of Planning, Property and Development within two (2) years of the date of passage of the aforementioned by-law.

9. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
