Agenda item (number and title): 8 audit

Service inquiry: Register as a Delegation, Submit Comments in writing Participation preference: Via Zoom Comments in writing: I must laud the councilors who proposed this change.
A local organization (I was twice elected to its council) made exactly this change a few years ago. They now have a committee whose primary job is reviewing such reports. Audits should be reviewed by those who specialize in reviews and governance.
As a side note, delegating much of the EPC workload seems like a needed improvement. Your meetings seem to be the longest and most tedious.
