Committee: Council
Committee - council: Opposed to the recommendations Committee - other: N/A Agenda item (number and title): March 16 budget for libraries

Service inquiry: Register as a Delegation, Submit Comments in writing Participation preference: Via Zoom Comments in writing: The current knee-jerk security measures at the Millennium Library must be considered temporary. Please do not enshrine them in the next budget. An open, welcoming, fully staffed facility should be considered part of the Downtown Recovery Strategy, shifting focus to creating a supportive, inclusive environment. This is an opportunity for both short and long term impact, and it comes down to proper funding, now.
