Subject: Crescentwood-Enderton Park Heritage Conservation District Plan

Hello,
My understanding is that there is a further meeting on March 13th with the Executive Policy Committee. I previously submitted comments to the Standing Policy Committee on Property and Development and wanted to make sure that my comments were forwarded to the Executive Policy Committee on the 13th. My comments are related to the Crescentwood-Enderton Park Heritage Conservation District Plan. My comments are as follows:

I am writing in full support of the proposed Heritage Conservation District designation for Crescentwood-Enderton Park. Our multi-generational household of 4 adults and 3 children fully support the proposed HCD in this area. One of the major reasons we moved in to the neighborhood was the look and feel of the early 20th century properties and frontages in an around Peanut Park. The tree canopy is also of utmost importance to myself and my family, and needs to be protected on both public and private lands. We are in full support of the proposed HCD.
