REASON FOR THE REPORT:

The Planning, Property and Development Department are in receipt of an Offer to Purchase the subject City-owned property shown shaded on Misc. Plan No. 12350. Council approval is required to declare City-owned property surplus to the City's needs. Approval by the Standing Policy Committee on Property and Development is required for the sale of the subject City-owned property.

HISTORY:

In 1979 the subject property was acquired from the Province of Manitoba for the possible relocation of the Rosewell Community Centre.

Details of the subject property are as follows:

Location:	East side of Ham Street North of Crozier Avenue
Legal Description:	Part Lots 72 and 73 OTM Parish of Kildonan
Certificate of Title:	1857555
Roll Number:	04004988000
Assessment (2006):	$23,500.00
Size:	±2796.1m² (30,097 sq. ft. .673 sq. acres)
Zoning:	"A-5" Agricultural District

On February 21, 1980, the former Board of Commissioners instructed that no further action be taken with respect to the proposed relocation of the community centre.

On November 21, 1985, Qualico made a request to purchase the subject property for inclusion in its expansion of Harbour View South (DASZ 44/85).

On December 10, 1985, the East Kildonan - Transcona Community Committee recommended that the proposed sale be approved and instructed that the funds derived from the sale be earmarked for park development in accordance with the East Kildonan - Transcona Community's priority list.

On December 19, 1985, the former Parks and Recreation Department proposed an exchange with Qualico. The Department proposed that the subject property be transferred to Qualico in exchange for an equivalent area that would be consolidated with land dedicated under proposed Subdivision DASZ 44/85.

In March 1986, the then Land Surveys and Real Estate Department approached Qualico in regard to a proposed exchange. Qualico was also advised that if it was not interested in such an exchange, the Department would still be prepared to recommend the sale of the subject property.

Due to market conditions, Qualico did not proceed with DASZ 44/85.

DISCUSSION:

On September 9, 2004, Qualico once again made a request to purchase the subject property in order to include the site in its new application for development in Harbour View South.

The subject property was circulated to all City Departments and no civic need or easements were identified for the property. The Planning and Land Use Division advised that Qualico had acquired all but the subject property within the immediate vicinity, envisioning a future residential subdivision as part of the Secondary Plan.

The Planning, Property and Development Department have concluded its negotiations with Qualico for the sale of the subject property shown shaded on Misc. Plan No. 12350.

Details of the Offer are as follows:

Price Offered:	$30,000.00
Deposit:	$4,500.00 being 15% of the purchase price

The Ward Councillor was consulted and has advised that he has no objections to the sale of the subject property. The Councillor has requested that the sale proceeds be credited to the Land Dedication Reserve account for future park requirements.

The Planning, Property and Development Department recommend approval of the sale to Qualico for the price of $30,000.00 for the following reasons:

1. Qualico is the logical potential purchaser of the subject property considering it has acquired all but the subject property within the immediate vicinity, envisioning a future residential subdivision as part of the Secondary Plan.
2. The proposed purchase price is supported by an internal appraisal.
3. The proposed sale of the subject City-owned property is in accordance with the City's standard terms and conditions.
4. The sale is not conditional upon rezoning and the title to the property will transfer to the Purchaser within 120 days from the date of approval.
5. Qualico will include the subject property within its application for development in Harbour View South.
6. The subject property will be added to the property tax roll.
