REASON FOR THE REPORT:

The Planning, Property and Development Department are in receipt of an Offer to Purchase the subject City-owned property shown outlined on Misc. Plan No. 12376. Council approval is required to declare City-owned property surplus to the City's needs. Approval by the Standing Policy Committee on Property and Development is required for the sale of the subject City-owned property.

HISTORY:

The subject property shown outlined on Misc. Plan No. 12376 is located on the South Side of Beaverhill Boulevard, West of Bluewater Crescent. The City acquired the subject property in 1996 for $1.00 as part of a development agreement for future transportation purposes.

Particulars of the subject property are as follows:

Location:	South side of Beaverhill Blvd., West of Bluewater Crescent
Legal Description:	Lot 2, Block 1, Plan 33345
Certificate of Title:	1437274
Roll Number:	06004809000
Assessment (2006):	$47,600.00
Zoning:	"R2" – Residential District
Site Size:	±3815.6m² (41,070 sq. ft.)

On December 8, 2004, the Public Works Department advised that it had no need for the subject property and they had no objection to the sale. No other civic need has been identified for the subject property.

DISCUSSION:

Mr. Ihssan Zouabi, (4744081 Manitoba Ltd.) is the owner of the site located to the east of the subject City-owned property. Mr. Zouabi intends to build a condominium complex in partnership with Randall Homes on his property. In addition, Mr. Zouabi has advised that he has also acquired a portion of the property to the west of the subject City-owned property, which is presently developed with a condominium complex.

Mr. Zouabi has requested to purchase the subject City-owned property in order to facilitate his proposed condominium development.

The Ward Councillor has no objections to the proposed sale of the subject property.

The Planning, Property and Development Department have concluded its negotiations with Mr. Ihssan Zouabi, (4744081 Manitoba Ltd.) for the sale of the subject property. The Offer to Purchase dated February 9, 2006, is attached.

Details of the Offer are as follows:

Price Offered:	$82,500.00
Purchaser:	4744081 Manitoba Ltd.
Deposit:	$12,375 being 15% of the purchase price
Balance Due:	60 days from date of approval of the Offer by the City

The Department supports the sale of the subject property for the following reasons:

a) The subject property is not developable as a "stand-alone" site.
b) The proposed purchaser owns the property to the east and has an interest in a portion of the property to the west of the subject property; therefore, it would be logical to offer the subject property to this owner for consolidation purposes.
c) The proposed purchase price is supported by an internal appraisal.
d) The Purchaser will be required to subdivide and rezone the subject property and pay all associated costs of same.
e) The property will generate realty tax upon closing of the sale.

Additional Comments:

The $83,051 consists of the $82,500 in sales proceeds, which will accrue to the Land Operating Reserve Fund, and the municipal portion of realty taxes totalling $551, which will accrue to the General Revenue Fund. The latter amount is based on the assumptions that the assessed value equals the sale price of $82,500, portioning and mill rates remain unchanged at 45% and 0.029686 respectively, and the property is added to the tax roll effective July 1, 2006. Revenues from 2007 onward represent municipal realty taxes based on the same assumed assessed value and portioning & mill rates.

6. It is agreed that no representation, warranty, collateral agreement or condition affecting this offer or the land is expressed herein. The City does not warrant the quality, condition or sufficiency of the Lands for any use or purpose. The Lands are deemed to be taken by the Purchaser in an "as is" condition and at the Purchaser's own risk and with all faults and imperfections whatsoever. The Purchaser agrees with the City that the application of "Buyer Beware" shall apply to the offer in the strictest meaning.

7. All existing improvements (if any) in or on the said Lands shall remain as part of the freehold.

8. (1) The City is unable to confirm that sewer and water lot-line connections from the services in the street to the lot line exist. The Purchaser must satisfy himself as to their existence and suitability for re-use. Consequently, if new sewer and/or water lot-line connections must be installed, installation and costs of same are to be borne by the Purchaser.

   (2) The Purchaser agrees to repair any damage made to the sodded boulevards abutting the lands during construction as soon as practicable and maintain same and shall pay the cost thereof and shall also restore the boulevard to its proper grade.
