REASON FOR THE REPORT:

All street and lane closings require the consideration of the Community Committee.

HISTORY:

The Planning, Property and Development Department has received a request from Qualico Developments (Wpg.) Ltd. to purchase the portion of Columbia Drive identified as "Proposed Closing" on the attached drawing. Qualico intends to incorporate the closed street into DASZ 50/2005, an application to subdivide and rezone the lands adjacent to the west.
An existing fence at the rear of the proposed subdivision presently encroaches into Columbia Drive. The street closing will eliminate this encroachment.

DISCUSSION:

Administrative Approval

The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the closing.

Easements

There are no easements required.
Transfer of Jurisdiction Over Public Rights-of-Way

The street must be legally closed before it may be sold and incorporated into the subdivision. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and vests the ownership of the property in the City's name. The City is not entitled to dispose of the land until this has been done.
