Subject: To amend By-Law No. 6400/94 by rezoning the land shown below from an "R2-T" Two-Family Transitional District to an "RM-1" Multiple-Family District.

Location: 405 Agnes Street
Legal Description: SP Lot 64, Plan 33566

Applicant: Claudette Adams
Owner: Claudette Adams

Recommendation: *Approved*

Site Description
The subject site is located on the east side of Agnes Street, between St. Matthews and Ellice avenues. It's currently developed with a 2-1/2 storey dwelling that is occupied by a seven-unit rooming house. The property is currently zoned "R2-T" Two-Family Transitional District. Neighbouring properties are also zoned "R2-T" and are developed with a variety of single-family dwellings, two-family dwellings, and rooming house conversions.

Background
This property has been occupied as a rooming house (seven units) at least as early as 1994, when it was inspected under the Fire Safety Upgrading and granted a Rooming House License.

Description of the Proposed Development
The applicant intends to continue operation of the seven-unit rooming house, with no expansion of the existing building and no addition to the number of units. The rezoning is necessary in order to maintain the current use of this property—since "Boarding or Rooming House, for not more than 12 persons" is only permitted in "RM" Multiple-Family Districts. The related variance application (DAV 06-108043D) recognizes existing building site dimensions, site area, building setbacks, and parking deficiencies.

Analysis
The subject site is located within the St. Matthews neighbourhood. *Plan Winnipeg* designates St. Matthews a "Neighbourhood" policy area. This rooming house has evidently operated without incident since initially granted a license in 1994. With the rezoning coming into force and effect, Zoning & Permits Branch will inform License Branch that annual Rooming House Licenses will be required for the ongoing operation at this location.

Recommendation

The Planning and Land Use Division recommend approval for the following reasons:
- The proposal is consistent with Plan Winnipeg;
- The rezoning is necessary to maintain an existing use that has operated without incident.

Recommended Conditions of Approval

I. That The Winnipeg Zoning By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 200/06, attached hereto and dated January 20, 2006, to an "RM-1" Multiple-Family District.

II. That a ten (10) per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three (3) readings.

V. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
