ADMINISTRATIVE REPORT

RE: Amendments to the City of Winnipeg License By-law 6551/95 Schedule A

FOR SUBMISSION TO:	**Standing Policy Committee on Property & Development**
ORIGINAL REPORT SIGNED BY:	**Ursula Stelman, Director Community Services Department**
REPORT DATE:	**February 13, 2006**

RECOMMENDATION(S):

That the City of Winnipeg License By-law 6551/95 Schedule A be amended as set out in the attached draft by-law to continue all License fees at their current rates as applicable. (Attachment 1)

REPORT SUMMARY:

Key Issues:

- The replacement of Schedule "A" of the License By-law with a new Schedule "A" extends indefinitely all fees set out in the License By-law 6551/95 at their current rates.
- Current license fees are set to expire on May 31, 2006 or December 31, 2006 as applicable.
- Carry over of the license fees at their current amounts aligns with the General License Revenue line contained within the 2006 – 2008 Preliminary Operating Budget.
- Given that the Red Tape Commission has made recommendations concerning the License By-law, this report does not propose any further changes to the License By-law and related fees at this time. This will allow time during which the recommendations of the Red Tape Commission can be given due consideration prior to any further changes to the License By-law 6551/95 being proposed for Council consideration.

Comment(s):

Carry over of the license fees at their current amounts aligns with the General License Revenue line contained within the 2006 – 2008 Preliminary Operating Budget.

REASON FOR THE REPORT:

Council approval is required for the enactment of by-laws.

HISTORY:

The existing License By-law 6551/95 Schedule A set the license fees from 1999 – 2006.

License Fees are based on a cost-recovery model that recovers the City's costs for inspection, enforcement and administration.

The current fees have been in place since 2004.

DISCUSSION:

In the 2006 – 2008 Preliminary Operating Budget, General License Revenues are $2,164,000 for 2006; $2,149,000 for 2007; and $2,149,000 for 2008. It is anticipated that the indefinite extension of the current License By-law fees, will match these overall General License Fee Revenues.

Historically, License Fees have been set for a five-year period. However, in 2005 existing License Fees were continued for one year, given that at that time a regulatory review was being carried out by the Red tape Commission. In light of the fact that the Red Tape Commission has made significant recommendations concerning the License By-law, this report recommends that fees remain at their existing levels indefinitely. This will allow time during which the recommendations of the Red Tape Commission can be given due consideration, prior to any further changes to the License By-law 6551/95 being proposed for Council consideration.
