Communications (continued)

From the City Solicitor/Manager of Legal Services,

Submitting as instructed by Council on July 27, 2005, draft by-law to amend By-law No. 32/2006, being a By-law to approve a Plan of Subdivision and to amend Zoning By-law No. 6400/94 for the enactment of a zoning change on land located on the east side of Main Street south of Rivergrove Drive in the Lord Selkirk - West Kildonan Community, which by-law may receive all three readings. File DASZ 11/2005 (By-law No. 113/2006)

From the City Solicitor/Manager of Legal Services,

Submitting communication dated March 15, 2006, enclosing draft by-law to amend section 24.1 of the Residential Buildings Fire Safety By-law No. 4304/86.

Advising that section 24.1 was added by By-law No. 30/2006, approved by Council on January 25, 2006. The goal of section 24.1 was to impose minimum fines for certain offences, one of which was the offence of failing to obtain the property approvals in converting a single family home or duplex into a multiple family dwelling.

Further advising that it has been brought to their attention that the language of clause 24.1(a) fails to accomplish its intended goal in that it refers to approvals "pursuant to this By-law" (i.e. The Residential Buildings Fire Safety By-law). It should refer to approvals, specifically permits, issued under the Building By-law, as well as a license under the License By-law. The enclosed draft amending by-law corrects this error and may receive all three readings.
