Hello - I would like to put my opinion on record regarding the proposed Sterling Lyon expansion through South Wilkes neighborhoods. We moved here 7 years ago because we loved the idea of city/country living. This new proposed plan would slice our neighborhood in half. We, as members of the South Wilkes Community Association, are working together with the city for the twinning of Wilkes. We are for a proposal that makes sense from a cost and convenience standpoint. I thank you for your time.
