Message:

Good day.

My name is Vera Banias. I am a homeowner and resident of . I have been in this community since February of 2015, and live in my home, with my 7 year old son. My brother is also living at my home, as he recovers from his own recent separation and divorce.

I was very shocked and disappointed to see the surprise plan to run a possible highway/road right through my home and property. ‎Not only would this destroy the character of this neighborhood, but it would destroy the new life that I've worked very hard to establish for me and my son.

‎I wish to be very clear about my thoughts on my position on the Sterling Lyon Expansion:

I am not‎‎ in favour of the proposed extension of Sterling Lyon Parkway to the Perimeter, that puts a four-lane road through the middle of our residential community, and directly effects my home at 1390 Loudoun Road.

I AM‎ IN FAVOUR‎ of aligning the road so that it is contiguous with the existing Wilkes Avenue right-of-way. ‎

Please consider the effects that your influence and decision have on my life on this topic.

Please ensure that in the future, that proper consultations of a much higher standard are used for this type of decision, because at present I do not feel any reasonable standard has been met.

Thank you for your time,
Vera Banias
