Hi Mike. I understand that you met with the seniors at Weston Community Club the other day. In regards to the renovations for their room, we still have about $2000.00 leftover from our CIG from you; however this will not be enough to do everything they would like, which was told from the beginning. We would need another $8000.00 to expand their room to what they want and there's just not enough leftover in the kitty to do that. We'll be able to replace the ceiling tiles, a fresh coat of paint to the room, repair their counter top, and maybe replace the carpet. With cost overruns which always seem to happen, and many safety issues that needed repair, we have fell short of what we wanted to accomplish with their room. Unless there's some magical pot we can tap in to some where's, we'll have to what we can with what we have left. Please advise me if there's anything else we can do.

Thanks
Bob Gingras
