EPC Agenda item #5

I am a homeowner at . I am writing this email to state my position publicly that I am strongly opposed to the proposed road alignment of William R. Clement Parkway from Shaftesbury to the Perimeter. This 4-lane road will run directly behind by property and alter the beautiful landscape, green-space and serentity that is South Wilkes. Our home is newly built in the last decade and we would never have started this venture or put our life-savings on the line had we ever been notified that this project was a possibility.
I am in full favour and support of aligning the road so that it is contiguous with the existing Wilkes Avenue.

Thank you for your time,
Jodie Nimetz
