Subject: **Subdivision and rezoning application to create two (2) residential lots.**

Location: **King Edward Street between Inkster Boulevard and Garton Avenue**

Applicant: **Global Homes Ltd. (Bernhard Goertzen)**
Owner: **Same**

Recommendation: **Approval**

Report Summary:

- **Application to rezone and subdivide lands for residential development**

- **Two city-owned strips of land are included in the rezoning and plan of subdivision**
- **The proposed lot size and zoning are consistent with adjacent lots to the north, which also front on King Edward Street**

Site Description

The subject land, which is on the east side of King Edward Street, between Inkster Boulevard and Garton Avenue, is located in the Inkster Gardens neighbourhood of the Old Kildonan ward.
North: Land zoned "R1-3.5" Residential which is currently under development for residences
South: A church zoned "A-5" Agricultural
East: Residences zoned "R1-5" Residential
West: Vacant land zoned "A" Agricultural

Background
DASZ 24/03
Adjoining lands to the north, fronting on King Edward Boulevard, were rezoned and subdivided from "A-5" Agricultural to "R1-3.5" Residential by the same applicant in 2004. The lands included in this proposal were not part of that application.

Description of the Proposed Development
The applicant is proposing to acquire city-owned land, which is part of an unused right-of-way, and consolidate these lands with other holdings in order to create two buildable residential lots.

In conjunction with the subdivision, the applicant is requesting that the newly created parcels (Lots 1 & 2) be rezoned from "A-5" Agricultural to "R1-3.5" Residential.

Proposed Lot 3, will remain under City ownership, with no change to the current zoning. This lot is unbuildable and will likely be sold off and incorporated into adjoining properties in the future.

Analysis
Plan Winnipeg
The subject parcel falls within a designated Neighbourhood Policy Area under Plan Winnipeg, which allows for a variety of residential, commercial, institutional, and mixed uses; thus, the proposed rezoning is in conformance with Plan Winnipeg 2020.

Compatibility with existing neighbourhood and surrounding uses
The requested change in zoning and the proposed lot sizes will be consistent with the adjacent residential lots to the north fronting on King Edward Street.

Recommendation

The Planning and Land Use Division recommend approval for the following reasons:

- The proposed rezoning is compliant with Plan Winnipeg and its policies;

- The proposed rezoning is compatible with the surrounding properties;
- The proposed use will not create an adverse effect on the amenities, use, safety and convenience of the adjoining properties and adjacent area;

Recommended Conditions of Approval

I. That the plan of subdivision proposed under File No. DASZ 8/06 be approved for preparation as a plan of subdivision by a Manitoba Land Surveyor in accordance with Schedule "A" for File No. DASZ 8/06, attached hereto and dated March 21, 2006, for registration in the Winnipeg Land Titles Office, subject to the following:

A. That the Developer be required to enter into a Development Agreement with the City containing all the conditions outlined in the report of the Administrative Coordinating Group dated March 16, 2006.

IV. That, in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

V. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary by-law in accordance with the above.

VI. That the subdivision section of the by-law shall come into force and effect upon execution by the City of Winnipeg of the Development Agreement.
