Report

Reason for the report:

Council, at its meeting of April 21, 2004, referred a motion moved by Councillors De Smedt and Wyatt to the Executive Policy Committee. The motion was as follows:

> *WHEREAS section 47(1)(b) of The City of Winnipeg Charter directs that a member of council forfeits the member's seat upon being nominated to be elected as a member of the Legislative Assembly;*
>
> *AND WHEREAS section 47(2) of The Charter directs that a member of the Legislative Assembly who is nominated to be elected as a member of council forfeits the member's seat in the Assembly;*
>
> *AND WHEREAS section 23(2) of The Charter directs that a member of the Senate or House of Commons is disqualified from being nominated for, elected or remaining as a member of Council;*
>
> *AND WHEREAS The Charter is silent on members of council being nominated to be elected as a member of the House of Commons;*
>
> *THEREFORE BE IT RESOLVED that the City of Winnipeg request that the Province of Manitoba immediately amend The Charter by adding the words "House of Commons" to Section 47(1)(b), thereby directing that a member of council forfeits the member's seat upon being nominated to be elected as a member of the House of Commons*

Executive Policy Committee, at its meeting of May 5, 2004, referred the motion to the City Clerk for a report to clarify the rules and regulations regarding Members of Council who are nominated to be elected to the House of Commons and/or the Manitoba Legislative Assembly with said report to include the best practices of other Canadian

cities and recommendations for possible legislative changes to *The City of Winnipeg Charter* and/or *The Local Authorities Election Act*.

History & Discussion:

In June of 2004, the Mayor of the City of Winnipeg was nominated as a candidate in the 38th general federal election. Although the Mayor chose to resign his position as Mayor when he was nominated, there was no legislation in place requiring him to do so.

The City of Winnipeg Charter contains provisions regarding members of Council who wish to seek office with a senior level of government.

Section 23(2)(d) of *The City of Winnipeg Charter* states the following:

> ***The following individuals are disqualified from being nominated for, elected as or remaining as a member of council:***
>
> ***(d) a member of the Senate or House of Commons of Canada;***

Section 47(1)(b) of *The City of Winnipeg Charter* states the following:

> ***A member of council forfeits the member's seat on council if the member:***
>
> ***(b) is nominated to be elected as a member of the Legislative Assembly;***

The Municipal Act, which applies to most other municipalities in Manitoba other than Winnipeg, is silent on members of Council seeking Federal Office. Members of the Legislative Assembly are precluded from running for the office of local Councillor.

Section 23(2)(d) is a direct copy from the former *City of Winnipeg Act*. Section 47(1)(b) was changed with its inclusion in *The City of Winnipeg Charter*. In the former *City of Winnipeg Act*, members of Council forfeited their seats only upon election to the Legislative Assembly, not simply nomination.

The effect of the current legislation in *The City of Winnipeg Charter* is that members of Council must resign their seats on Council simply to be nominated provincially, i.e. seek a seat in the Legislative Assembly. In contrast, members of Council do not have to resign their seat in order to be nominated federally, i.e. seek a seat in the House of Commons. They are required to resign only if they are elected to the House of Commons. Further, Councillors in other Manitoba municipalities do not have to resign their seats on Council to be nominated provincially.

Other relevant legislation does not deal with a member of Council becoming nominated

federally.

The Local Authorities Election Act governs the operation of elections for Manitoba local governments. It concerns itself with candidates becoming members of Council, not whether they can remain as such. This Act is silent in regard to local government elected officials seeking office at a senior level of government.

The Canada Elections Act provides the Federal legislation governing federal elections including election of candidates to the House of Commons. Section 65 of this Act lists the circumstances where persons are not eligible to be nominated as a candidate in a federal election, including members of a provincial legislature. It is silent in regards to local government elected officials seeking office in the House of Commons.

A survey of other Canadian municipalities was undertaken, asking if a member of council must resign their seat in order to be nominated as a candidate in a federal election in their municipality.

Six municipalities responded to the survey as at the publication date of this report. Results are shown below.

Question: Does your municipal / provincial legislation require a Member of Council to resign his / her seat if he / she is a candidate in a Federal Election / running for Federal Office?		
Municipality	**Yes**	**No**
Vancouver		**X**
Calgary		**X**
Edmonton		**X**
Regina		**X**
Saskatoon		**X**
Ottawa		**X**
Toronto		**X**
Halifax		**X**

As such, the current legislation in place in Winnipeg regarding a member of Council seeking nomination to the House of Commons appears to be in keeping with existing federal and provincial legislation as well as the legislation that exists in other Canadian municipalities.

However, *The City of Winnipeg Charter* does provide for differing treatment for Winnipeg Council candidates running for provincial office versus candidates running for federal office or non-Winnipeg Councillors running for provincial office.
