EXECUTIVE SUMMARY

On December 16, 2021, Council approved the closing of a portion of Ravelston Avenue West, adjoining 1555 Lagimodière Boulevard (Appendix A and Appendix B). A condition of that approval was that a closing by-law was to be enacted by Council within two (2) years following the date of approval.

On November 6, 2023, the applicant submitted a request for an extension of time to December 16, 2026 (Appendix C). The applicant advised that the purchase and sale negotiations have been complex, resulting in the applicant's inability to successfully fulfill its obligations from Council's approval of December 16, 2021. The Real Estate Branch and the applicant anticipate that a formal agreement will be formalized early in 2024.

The Public Service supports an extension of time until December 16, 2026.

Re: Request for Extension - Proposed Closing of a portion of Ravelston Avenue West, adjoining 1555 Lagimodière Boulevard
DAC 5/2021

On December 16, 2021, Council approved our application to close a portion of Ravelston Avenue West, adjoining our property at 1555 Lagimodière Boulevard. That approval contained conditions including but not limited to, a successful purchase of the closing land, approval of a further development application to facilitate consolidation of the closing land with our property, and the granting of easements in favour of the City, one of which was for an active transportation path. The City's negotiator commenced the purchase and sale negotiations process in October 2022. The negotiations were protracted and exhaustive because of the need to address the requirements for the active transportation path and its proposed location. Consultations with both the City's negotiator and the City's area planner were necessary. On October 24, 2023, the City's negotiator provided us with a proposal for the purchase price of the closing area land and on October 31, 2023, we confirmed our acceptance. We are currently awaiting receipt of the formal purchase and sale agreement for our execution. Without that formal execution, we are unable to proceed with the required development application necessary to facilitate consolidation of the closing area land with our adjoining property which is a condition of Council's approval of

1400 KENASTON BLVD, WINNIPEG, MANITOBA, R3P 2V6

DAC 5/2021 and the purchase and sale agreement. This delay will result in our inability to comply with Council's recommendation 3 of its decision of December 16, 2021.

Contemplating the requirements for a further development application, its approval, preparation of relevant plans to facilitate the closing and consolidation conditions, preparation, and enactment by Council, of a requisite closing by-law, preparation and execution of relevant easement agreements, and completion of registrations at the Winnipeg Land Titles Office necessary to formalize the legal closing and consolidation, we are requesting an extension of time to December 16, 2026 to allow us sufficient time to satisfy the purchaser's obligations of Council's approval under DAC 5/2021.

Sincerely,

Brian Lowes
President
