Agenda item (number and title): Portage & main opening

Service inquiry: Submit Comments in writing
Participation preference: N/A

Comments in writing: Is there any option to create a walking bridge over portage and main as for people with disabilities, elderly and those catching busses often don't have enough time to cross, and often have close encounters with cars when crossing at main and broadway due to the multiple turn lanes, portage and main would be substantially worse, especially during rush hours
