Subject: To amend By-Law No. 6400/94 by rezoning the land shown below from an "R1-3" Single-Family District to an "RM-4" Multiple-Family District.

Location: 668 Jessie Avenue
Legal Description: SP Lot 66, Plan 26926

Applicant: Ernie Walter Architect
Owner: Jonathan Koslowsky

Recommendation: *Approved*

Site Description

The subject site is located at the south east corner of Jessie Avenue and Hugo Street. The site is currently developed with an older 2-storey dwelling containing three dwelling units. The approximately 25 foot wide by 120 foot deep lot and neighbouring properties are zoned "R1-3" Single-Family District. Surrounding land uses include single-family, duplex, nursing home (to the west across Hugo Street) with non-accessory parking area, and public plaza (to the north across Jessie Avenue).

Description of the Proposed Development

The applicant proposes to demolish the existing 2-storey, 3-unit dwelling and construct a 3-storey, 3-unit dwelling. Floor plans indicate each dwelling unit is a 1-bedroom configuration. The proposed development is approximately 32 feet in height and provides three accessory parking spaces, with access from the public lane. Variance file DAV 06-108609/D concerns yard and parking deficiencies.

Analysis

This portion of the Earl Grey neighbourhood is designated "Neighbourhood" under *Plan Winnipeg*. This designation accommodates a variety of residential forms and densities, including increased density in established neighbourhoods when the proposed development is respectful of the context and considerate of immediately adjacent properties.

The proposed 3-unit residential development replicates the current density at this location. Its built form, although a clear departure from the conventional Earl Grey neighbourhood typology, handles a narrow corner site creatively and responsibly. The form and scale are not overpowering and provide a reasonable transition from the adjacent 4-storey nursing home and the piazza.

It should be noted, the existing dwelling has non-conforming rights to 3-units in a portion of Earl Grey that was zoned "R2" Two-Family District until the mid-1990s (downzoned to "R1-3" Single-Family District under DAZ 21/395). The proposed 32 foot high residence is comparable to the 30-foot height maximum under "R1-3" zoning.

Recommendation

The Planning and Land Use Division recommends approval, with conditions, for the following reasons:

- The proposal is consistent with *Plan Winnipeg*; and
- The proposed 3-unit residence achieves a reasonable scale and density at its specific location in Earl Grey.

Recommended Conditions of Approval

I. That The Winnipeg Zoning By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 265/05, attached hereto and dated February 14, 2006, to an "RM-4" Multiple-Family District, subject to the following:

A. That the applicant enter into a zoning agreement with the City of Winnipeg pursuant to Subsection 240(1) of The City of Winnipeg Charter, to provide for the following:

1. That the total number of dwelling units shall not exceed 3;
2. That the maximum height of any buildings shall not exceed 35 feet;
3. That the Multiple-Family development be established and maintained in substantial conformity with plans submitted and identified as Exhibit ___, dated January 12, 2006.

II. That a ten (10) per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three (3) readings.

V. That the rezoning by-law shall come into effect when the Zoning Agreement has been registered by caveat against the subject land at the Winnipeg Land Titles Office, provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.

VI. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.

VII. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
