CHAIRPERSON AND MEMBERS
STANDING POLICY COMMITTEE
ON PROPERTY AND DEVELOPMENT

Re: Appointment of Heritage Winnipeg Corporation as a member of the Historical Buildings Committee

The Historical Buildings Committee, at a special meeting held on January 11, 2005, reviewed a motion referred to your Committee by Council on November 24, 2004, that the Historical Buildings Committee review and make a recommendation to expand its volunteer membership to include an appointee from the Heritage Winnipeg Corporation.

It is my pleasure to advise that our Committee has been reviewing the Historical Buildings Bylaw 1474/77 (as amended) under the guidance of Legal Services and the Planning, Property and Development Department in order to simplify the designation and listing procedures, to expand the membership and clarify the role of Committee members, and also to streamline a variety of procedures that require updating including delisting procedures, notices to the public and simplification of the grades system.

The Committee unanimously approved the inclusion of Heritage Winnipeg as one of a number of changes to its membership. The administration is recommending that the Historical Buildings Bylaw 1474/77 be completely rewritten and policies and procedures be clarified and simplified. A draft bylaw with new membership requirements will be available for your review in several months.

We look forward to working with you to achieve a clear and efficient bylaw to protect this city's remarkable collection of noteworthy heritage buildings and districts.
