Ron Lankhout, P. Surv., Manitoba Land Surveyor

August 22, 2024

Planning, Property & Development
Main Floor, 65 Garry Street
Winnipeg, MB., R3C 4K4

To whom it may concern:

RE: Subdivision & Re-Zoning – 775 & 777 St. Matthews Ave; File No. DASZ 27/2022

Owner: Skin By Abie Ltd., c/o Abegail N. Piller

We **require an extension** due to solidifying survey/ titled boundaries in and around the subject area.

Unforeseen delays in legal survey monuments being destroyed from areas in hard surfaces along with some minor staff shortages combined in finalizing.

The titled boundaries are resolved and the legal survey Plan is being deposited at WLTO for examination in the first week of September, 2024.

Thanking you in advance.
